

## About Department

Department of Statistics was established as undergraduate course for B. Sc. I and II in June 1984 in Padmabhushan Dr. Vasantodada Patil Mahavidyalaya, Tasgaon. Undergraduate course for B. Sc. III has been started in Department from June 2013.

Department conducts the certified course on “Introduction to Excel and R Software” for B. Sc. III Statistics students. Also “Crash course for entrance exam” is also conducted for the B. Sc. III students. Post graduate department has been started from June 2017 under Shivaji University Kolhapur.

Department of Statistics has sufficient infrastructure facilities such as classrooms and two well-equipped computer laboratories each with 20 computers to conduct practical for U.G. and P.G. students. Departmental library has above 170 and in college library as above 240 reference books, also ICT facility is available.

## **Our Mission**

- To give utmost importance to the socially, economically marginalized sections of students.
- To preserve and enrich the already rich socio-cultural traditions of the hinterland.
- To prepare a student such that, when leaving college after completion of the three-year degree course/ two-year master degree course, he/she is equipped with a positive frame of mind, has basic communication skills, should have acquired the ability to explain something logically and Statistically , and above all, should have developed a balanced personality.

## **Our Vision**

- The vision of the Department is to move towards Excellence in Higher Education in order to Achieve a Just, Plural and Equitable Society in Consonance with the Constitutional Values.
