About Workshop:

An **interview** is essentially a structured conversation where one participant asks questions, and the other provides answers.^[1] In common parlance, the word "interview" refers to a one-on-one conversation between an *interviewer* and an *interviewee*. The interviewer asks questions to which the interviewee responds, usually providing information. That information may be used or provided to other audiences immediately or later. This feature is common to many types of interviews – a job interview or interview with a witness to an event may have no other audience present at the time, but the answers will be later provided to others in the employment or investigative process. An interview may also transfer information in both directions.

The Department of English and Lead College Committee have jointly organized one day Online Workshop on **“Interview Skills”** on Saturday, 13th March, 2021.

Recourse person for the workshop was Hon. Dr. Rajendra Ponde, Vice-Principal, Head Department of English, Willingdon College, Sangli, BOS Member in English, Shivaji University Kolhapur. He highlighted on the following:
