It works to enhance and integrate the various activities of the College and to ensure the adoption and dissemination of good practices. The IQAC spearheads the conduct of the internal and external Academic Audit of the departments, which promotes quality, accountability and transparency. Such Academic Audits foster healthy competition among departments and sharing of good practices.

The IQAC coordinates the process of restructuring the syllabus to create a progressive curriculum that is in tune with the demands of the time. An effective feedback system has been developed to facilitate the feedback process to monitor the quality and efficacy of the policies and processes of the institution.
