Minutes of the meeting

College Development Committee Meeting of the College was held on Tuesday 31/12/2019 in IQAC Room. It was organized under the chairmanship of Hon'ble Principal Abhaykumar Salunkhe, Working President Shri Swami Vivekananda Shikshan Sanstha Kolhapur. Meeting time is eleven o'clock in the morning.

The following issues were discussed and decided in the meeting

Subject:-1. To read and maintain the minutes of the previous meeting

Honorable Principal Dr. B. T. Kanase read out the minutes of the meeting held on 2/11/2018 and as it was correct, it was unanimously approved.

Subject: - 2. Establishment of Common Facility Center in the College

The principal informed someone about the erection of CFC, how many equipment are in it and how to make room for it

Dr. S.S. Patil, Dr.B. T. Kanase, Dr. V. Y. Pawar were given the responsibility of going to such a center, getting information about it, preparing a room accordingly and presenting material in it.

Resolution: The college should set up a center as soon as possible by fulfilling all the requirements regarding CFC

Indicator – Prin. Dr. H. B. Patil

Approver- Shri. K. S. Patil

The resolution was passed unanimously

Subject:-3. Make four class smart classrooms for NAAC.

In order to get NAAC assessment A grade for the college, Dr. Kanase B. T. and Dr. Pawar V. Y. were sent to see how the smart classrooms have been set up in the college which has got A grade. The resolution was passed as..

Resolution: To create at least four smart classrooms in the college by getting all the information from the concerned agency or dealer, taking three quotations comparatively from them, approving low rate quotations, corresponding with the institution and getting at least four smart classrooms as soon as possible.

Indicator- Dr. B. T. Kanase.

Approver- Dr. Alka Inamdar

The resolution was passed unanimously

Subject: - 4. To organize a parents' meeting in view of NAAC assessment

Since the college's NAAC is in 2021, to hold at least one parent meeting in each area and try to improve the educational quality of the students. 2 or 4 parents meet should take in 2 terms. Discussions were held on the quality of students and the involvement of students and parents in the progress of the college.

Resolution: Under the guidance of the Hon'ble Principal of the College, it was decided to hold at least two parent (total 4) meetings in each of the sessions.

Indicator- Shri. K. S. Patil

Approver- Dr. S. S. Patil

The resolution was passed unanimously

Subject:-5. Regarding approval of certificate courses started in various departments of the college.

The Hon'ble Principal informed about the 14 courses under the minimum skills offered in the college and how the students can create self-employment from them and after a detailed discussion it was decided as follows.

Resolution: Certificate courses started in various departments of the college were unanimously approved as they are for self-employment of students.

Indicator- Dr. V. Y. Pawar

Approver- Dr. B. T. Kanase

The resolution was passed unanimously

Subject:-6.Relocation of power lines and poles

The road passing through both the buildings of the college has been closed with the help of Hon'ble late R. R (Aba) Patil and the old building has been demolished to the north of the college and a new road has been provided from there. There are high voltage power lines on both sides of the old road. In this regard, the Hon'ble RR Aba had said the concerned authorities to remove the power lines on both the sides and take them along the new road. After the unfortunate death of Hon'ble RR Aba Patil, due to the negligence of the concerned authorities, the power lines on both sides were cut off. The college has written letter to the MSEB to remove the power lines as there is a possibility of endangering the lives of the students as there are trees on the side of the road and there is a similar parking lot. MSEB has given a quotation of Rs. 15 lakhs for laying power lines. Hon'ble Principal said that this amount is not affordable to the college or the institution. Hon'ble MLA Sumantai Patil Madam requested to get the power line from her MLA fund by paying this amount. MLA Sumantai Patil Madam instructed and her P.A. to take up the subject of the district planning meeting on dated 3rd Oct 2020 and approve the budget in it and promised to remove the power line.

Resolution: It was unanimously approved that a letter was sent through Hon'ble MLA Sumantai Patil to remove power carriers on both the sides of the road from the district planning budget

Indicator- Prin. H. B. Patil

Approver- Shri. K. S. Patil

The resolution was passed unanimously

Subject: - 7. To build auditorium with all facilities in the college.

The principal said that as the NAAC will have to face the year 2021, the college needs to have a well-equipped auditorium. As it is not ready in the auditorium

till 2021; it was decided to combine the two adjoining ladies' rooms in the science department to create a well-equipped auditorium.

Resolution:

Indicator- Dr. Alka Inamdar

Approver- Dr. V. Y. Pawar

The resolution was passed unanimously

Subject: - 8.Requesting for B.com. II -Second Division and M.Sc. Zoology courses to the university.

Since the principals have one or two pieces of B.Com Part 1 and 2, there is only one piece of B.Com Part 3, so many students of this college have to be denied admission while processing B.Com Part 3.As there is a girls' college in, they have to take no-objection certificate as per the rules and this college does not give no-objection certificate, so your college does not get detachment recognition.As there is an MSc Zoology course in Tasgaon area and there is a demand from the students, the meeting requested to send a proposal to start this course.After a detailed discussion, it was decided to try to get approval at the government level through Hon'ble MLA Sumantai Patil.

Resolution:Hon'ble Principal has sent a proposal to the Government through the University to start B.Com Part 2-detachment 2 and M.Sc. Zoology courses.It was unanimously decided to start this course as soon as possible in an effort to get approval through Hon'ble MLA Sumantai Patil Madam.

Indicator- Dr. V. Y. Pawar

Approver- Shri. K. S. Patil

The resolution was passed unanimously

Subject: - 9.With regard to discussing the issues which have come up in due course with the permission of the Hon'blePresident.

9.1: As it is in front of the gate of the college, the vehicles are very fast and the students are in trouble. Therefore, it was discussed to install speed breakers on both the sides of the road through the Public Works Department and it was decided to install speed breakers through correspondence in the Public Works Department.

9.2: Regarding the provision of canteen in the college.

Prof. KS Patil, Dr. BT Kanase, Dr. Alka Patil said that there is a need for canteen facility in the college. The Hon'ble Principal said that the canteen is necessary for the convenience of the students but some problems arise. However, the canteen will be started with the approval of the organization by approving the three quotations of the licensee and approving the quotation of the rate sheet and the fare will be in order, said the Hon'ble Principal.

9.3: Regarding the change of bathroom of the students near the gate of the college near the compound wall, the Hon'ble Principal said that the bathroom is at the entry point and it needs to be changed. For this, he said plan, estimate will be taken and with the approval of the organization, the bathroom compound will be adjacent to the wall. And all the members agreed and all the issues raised in the above period were approved.

As there was no other topic before the meeting, thanks to the attendees, Dr. B.T. Kanase agreed and the meeting was adjourned.

The following members were present.

MINUTES OF IQAC MEETING

The Chairperson Prin. Dr. Milind S. Hujare welcomed the members for the second meeting of IQAC. The following points were discussed in the meeting:

1. Review of minutes of 1st IQAC Meeting

The minutes of the meeting held on 05/06/2019 are approved by the Council.

2. Organization of workshops on various themes.

Workshops are venues for teaching, instructing or facilitating group interaction between a relatively limited number of participation. They are traditionally interactive events on specifying areas that encourage participant involvement. There is fruitful discussion on organization of workshops and decided

that at least one workshop should be organized by each department on various themes during academic year.

3. To audit the energy utilization of college.

The issue regarding to audit the energy utilization of college is raised by committee members. The Energy Audit defines ways to reduce energy consumption per unit of product output or to lower operating costs. The recommendations of the study will become a basis for future schemes of better energy consumption and preservation throughout the organization. After discussion it is decided that, Energy utilization audit of college will be done by external agency.

4. To audit green incentive taken by college.

The Green Audit of an College is becoming a paramount important these days for self assessment of the institution, which reflects the role of the institution in mitigating the present environmental problems. Therefore, the committee suggesting to complete the green audit of College campus to identify, quantify, describe and prioritize framework of Environment Sustainability in compliance with the applicable regulations, policies and standards. The responsibility is given to department of Botany.

5. To audit the gender status of the college.

To assess and analyze the strength, policies, programmes, and organization process of College with the view to identify where key strategic initiatives could be initiated and implemented to strengthen commitment to enhance capacities for gender mainstreaming at all levels in the College. Committee decided to audit gender status of the college and the responsibility is given to Women Empowerment Cell of the College.

6. Discussion and organization on various community activities.

Community service is unpaid work performed by a person or group of people for the benefit and betterment of their community without any form of compensation. Therefore IQAC committee suggesting to conduct at least one community activity by each department within the academic year.

7. To organize Vasantavishkar Research Competition.

Creating research atmosphere among the students is a key issue in higher educational institutes. An issue of organizing research competition has been raised by some committee members. It has been decided to organize research oriented 'Vasantavishkar' competition. A decision has also been taken to send more and more quality posters to the district level 'Avishkar' Research competition to be organized by Shivaji University, Kolhapur.

8. To construct the Botanical Garden.

Botanical gardens aim to promote the awareness, study, and conservation of plant species diversity. The old Botanocal garden of the College was demolished during construction of new building. Therefore committee decided to construct new Botanical Garden in the campus and responsibility is given to department of Botany.

9. Discussion on to implementation of No vehicle day, Plastic free campus.

The 'No Vehicle Day' initiative aimed to helping reduce pollution caused due to the smoke emanating from vehicles and cutting down traffic congestion on the roads. It also aims to aware all stakeholders of college about environmental pollution. Therefore, committee decided to organize 'No Vehicle Day' on fourth Saturday of every month.

Plastic Free campus is a program that aims to measurably reduce plastic pollution on college campuses with a special focus on the reduction and ultimately the elimination of plastic bottles, plastic straws and utensils, and plastic food packaging. Participating college have identified plastic pollution as a key concern on their campuses, and are taking action to confront the problem. Therefore, it is decided to aware all the stakeholders of college about no use of plastic in college campus by counseling, displaying hoardings in campus etc .

10. Discussion on preparation and publication of Green Data Book.

Green data book is a book with list of all plants growing in college campus. As college have number of plants in the campus, committee discussed on the issue regarding publication of Green data Book of College campus. The responsibility of preparation of Green Data Book was given to Department of Botany.

11. To construct Smart and Digital Classrooms.

To embed digital learning objectives within future education policy and curriculum reform initiatives, to adapt the ICT competency framework for Teachers, to aid the integration of ICT into teaching, learning and assessment in college, and to provide opportunities for students to pursue in-depth ICT study of students, construction of Digital Classroom in the College is very essential. All committee members suggested to construct at least one Digital Classroom for each faculty.

12. Organization of Training program on E-content development.

Information technology and the Internet are major drivers of research, innovation, growth and social change. The growth in Internet has brought changes in all walks of life including the education. E-content requires huge amounts of creativity both at 'information' level as well as the 'technology' level. The issue regarding e-content

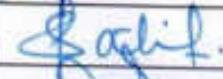

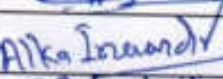

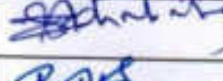

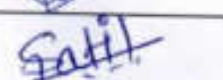

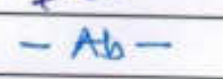

development is discussed and suggested to organize one/two workshop for all faculty members.

विषय :- सन २०१७-२०१८ या शैक्षणिक वर्षातील शिवाजी विद्यापीठ गुणवत्ता शिष्यवृत्तीबाबत...

महोदय/महोदया,

उपरोक्त विषय संदर्भात आपणास कळविण्यात येते की, आपल्या महाविद्यालयातील/अधिविभागातील खालील विद्यार्थी सन २०१७-२०१८ या शैक्षणिक वर्षातील शिवाजी विद्यापीठ गुणवत्ता शिष्यवृत्तीसाठी पात्र ठरलेले आहेत.

सदर विद्यार्थ्यांचे प्रमाणपत्रे व धनादेश पुढील कार्यवाहीसाठी आपल्याकडे पाठवून देत आहेत.

क्र.	विद्यार्थ्यांचे नाव	वर्ग व विषय	धनादेश क्रमांक	प्रमाणपत्र नंबर
१.	Jadhav Deepali Gorakhanath	B.Sc.M.Sc. Sports	-	२२
२.	Bhosale vidya Sambhaji	1 st B.A.	-	796
३.	Khot vaishali Yashwanth	1 st B.A.	-	784
४.	Mohite Darashana Sanjay	-	-	789
५.	Jamadade Radhika Jatinrao	-	-	754
संबंधित विद्यार्थ्यांनीची खिण्यवृत्ती त्यांनी या कार्यक्रमात दिलेल्या ०६ खात्यात जमा करून आणणे आहे).				

त्या नुसार संबंधित विद्यार्थ्यांना सदर प्रमाणपत्रे व धनादेश तात्काळ सुपूर्द करण्यात यावेत. तसेच धनादेशाची कालबाह्यता नसून महिन्याची असल्यामुळे सदर मुदतीत सदर धनादेश संबंधित विद्यार्थ्यांना वटविण्याबाबत सूचना देण्यात यावी. तसेच विहित केलेले सदर विद्यार्थ्यांना धनादेश न सुपूर्द केल्यास कालबाह्य धनादेश बदलून तात्काळ सुपूर्द केले जाणारे नाही याची कृपया संबंधितांना सूचना देण्यात यावी.

In year 2019, Chemistry department have planned an exciting, diverse and innovative activity for high school students as an experimental demonstrations of *MAGIC CHEMISTRY*. This communitive activity raise awareness, to inspire students of all ages, experience and backgrounds. In experimental demonstrations, we setup the school level (5th to 10th std) syllabus based experiments and their demonstration. In a school due to the lack of chemicals and materials they do not clearly understand the science behind the experiment practically. This weakness of the school is keep in mind, then we decided to organize the *EXTENSION ACTIVITY* for school students.. We allotted the experiments to the students of M. Sc. I (Chemistry) they actively prepare their experiments and their demonstrations very nicely. They also prepared some charts for understanding of reactions. All school students has good enthusiasm about the experimental demonstrations and also participate the practical experience of experiment. The main purpose of this programme is to enhance the science awareness in school level students. This activity was one of the activities of Chemistry department which was celebrated outside the college campus. The main theme of the activity was to involve students in chemistry they already learned and pass on that knowledge to others including all of those who are unaware of the world of chemicals yet including their elders.

Main Objective of the activity:

1. Enhance the science awareness.
2. Knowledge behind the experiments.
3. Excitement in chemical reaction (Chemical Locha).
4. Thinking and reality of experiments.
5. Community between college to school students.
6. Increase the confidence and understanding.
7. Enhance the communication skill.

Under this activity every student of M. Sc. I (Organic Chemistry) was assigned with an experiment having some magic in it. Experiments were designed so as to be performed easily with the chemicals available in laboratory. Students were asked to choose experiments having minimum risk and less hazardous of chemicals. Almost all the experiments selected could be performed at room temperature as well as at ambient conditions. School students were given the opportunity to perform the experiments on their own, handle the different glassware's, ask their queries and solve them. Some of the experiments involved were based on superstitions and daily household chemicals. Inauguration and Felicitation

Tasgaon tahsil comprises mostly a rural area with more than 50 secondary and higher secondary schools. Many of the schools lack well equipped laboratories. And some them don't even have laboratories at all. Therefore, school children never obtain as much practical knowledge as required. For the sake responsibility towards them we have decided to make this as our "Best Practice" and continue this unique task every year.

MESSAGE

I am very happy to extend warm congratulations to Padmabhushan Dr. Vasantnada Patil Mahavidyalaya, Tasgaon, Dist. Sangli and Department of Environmental Science, Shivaji University, Kolhapur for organising an International Conference on "Integrative Approach in Environmental and Applied Sciences" on the occasion of birth centenary celebration of Shikshan Maharshi Dr. Bapuji Salunkhe, a founder of Shri, Swami Vivekanand Shikshan Sanstha, Kolhapur.

I am happy that the theme of the international conference is interdisciplinary and involves the inclusion of the scientist, academicians and students from the field of environmental and applied sciences. The conference will give a platform to the young budding scientists to look towards alarming issues related to mankind.

I am confident that the deliberations and discussions at the international conference will provide a platform to generate the innovative methods for sustainable development and management of the problems of society.

I extend my warm greeting to eminent scientists and participants attending this international conference. I wish the conference a grand success and hope that the major academic insights emerging out of the discussion will be helpful to extend sustainable service to mankind.

WELCOME

Shri Swami Vivekanand Shikshan Sanstha was established in 1954 by the great educationalist Shikshanmaharshi Dr. Bapuji Salunkhe with the motto "Dissemination of Education For Knowledge, Science and Culture." and with the aim of imparting education to the people who are deprived of an opportunity of getting education. It's great pleasure to inform you that we are celebrating this year as a birth centenary year of founder of our management great educationalist Shikshanmaharshi Dr. Bapuji Salunkhe in collaboration with the Department of Environmental Science, Shivaji University, Kolhapur. Today our management is runs 374 educational centers. Padmabhushan Dr. Vasantroodada Patil Mahavidyalaya, Tasgaon is one of these centers. The college was started in 1962 with a small strength of 67, now it is more than 5000.

Our college is running 16 UG and 08 PG courses of Arts, Commerce and Science faculties. The NCC, NSS, Gymkhana and Cultural departments of our college are our proud with outstanding performances. The Chemistry, Physics, Botany and Zoology laboratories are recognized as research laboratories by Shivaji University, Kolhapur for M.Phil and Ph.D. degrees.

It's my great pleasure to inform you that during last two years our esteemed faculty has published more than 100 research papers in reputed journals. At the same time our faculty is highly engaged in taking minor and major research projects. Some of faculty has filed their patents for the approval.

Our management has an ever-lasting bond with the society. Inspiration and guidance of the President of our management Hon. Chandrakant Dada Patil (Minister, Govt. of Maharashtra), the executive president Prm. Abhaykumar Salunkhe, the Secretary, Prm. Shubhangi Govade supports for growth and development of college.

I would like to welcome all of you and wish best success for International Conference being organized at Baha'i Academy, Panchagani, which will be fruitful and encouraging to all the participants.

Welcome all of you once again.

The conference program featured a wide variety of invited and contributed lectures from national and international speakers with expertise in the field of Chemistry, Botany, Zoology and Environment as well as oral sessions.

Conference Scope

Dear Colleagues,

We have immense pleasure to invite you for participation in Indian Council of Historical Research, New Delhi sponsored two-day National Seminar on "Conservation and Importance of Historically Important Monuments, Places & Documents" organized by our college.

About us

Shri Swami Vivekanand Shikshan Sanstha, Kolhapur is one of the largest educational institutes in Maharashtra. The institution was founded by Dr. Bapuji Sahasrabai in 1954. "Dissemination of Education for Knowledge, Science & Culture" is the motto of our institution. The institution has more than 370 educational centers in the states of Maharashtra and Karnataka. The overall personality development of students is the aim of the institution. Our institution is purely education-oriented, and it has been rendering valuable service in the field of education for the last 63 years.

Padmabhushan Dr. Vasantraodada Patil Mahavidyalaya, Tangam is one of the education centers of this renowned institution in Maharashtra. It was established in June 1962, and has been providing education in Arts, Commerce & Science up to Post-graduate for the needy students in the taluqa. Majority of the students are from poor and backward classes. Since its establishment, the college has been working for the all-round development of the students & has made significant contribution to the socio-economic development of this region. At present the college runs 18 UG special courses and 10 PG courses including M.A. in History.

Department of History is one of the pioneering departments in the College. It has been functioning since June 1962 as UG course.

About the Seminar

Conservation, preservation, restoration & maintenance of ancient national monuments, remains, structures, historical

pla... and documents is of great national importance. They are part of the vast, diverse and extraordinary ancient heritage of India and are closely associated with the identity of the nation. They are elegance and splendor of the bygone era. They are the living witnesses of the golden historic era of over a thousand years and of the pre-independence battles. They are the most outstanding facets of the multi-faceted Indian culture. They teach us about history and promote respect for those who were real great heroes, who lived in different times and different regions of the nation. They cultivate pride of our past and heritage. They bring character and certain charm to the region. We must become an inspiration for the future generations. They have always been the illustration of social progress of the nation. They are the epitome of courage, valor and testimony to the evolution and are a symbol of cultural expressions and architectural skills. They represent our tradition, history, art and design. They are great attractions for tourists. So the government and the civil society must play a vital role for the conservation and preservation of these monuments and places.

About Tangam City

Tangam is a small town in Gargoli District. Notwithstanding its centered location in the District and moderate size, it is one of the most splendid towns in the rural India, while the region around it is renowned as one of the best agro-horticultural zones of India. It is renowned internationally as a Hub of Grapes and grape export. It is a historical place known for the Patwardhan rule on behalf of the Peshwas. The Ganesh Temple is a very good & well-known example of the Southern architectural skills and sculptures. It is well connected by roads with the nearest taluqa and Sangli and Miraj Railway Junction (25 kms). The nearest airport is Kolhapur (80 kms). Tangam city is also well-known for ISKCON (Radha-Krishna) Temple.

**A Report of the National Seminar of
"Conservation & Importance of Historically Important Monuments, Places
& Documents".
(28 & 29 September, 2017)**

India has a rich heritage of history. Today the society expects that government must preserve all the precious things like monuments, places & documents, etc. But it is the responsibility of people in general and society, especially of the young generation. The students and scholars of history must create awareness about this among the minds of visitors of such historical places. We must preserve ancient monuments, places and documents. It is a need of today.

The present seminar was divided into 6 sessions. In the second session Dr. Sachin Joshi of Deccan College, Pune, the member of Forts Conservation Committee Maharashtra State, delivered his speech on forts conservation, Peshwai in Pune, Angre, contemporary coins. The third session was of paper reading. In the fourth session Dr. Balkrishna Mali, Dayanand College, Solapur, explained about how to preserve historical documents, etc. In the fifth session Adv. Maqsood Afazal Jagirdar, Afazalpur told about the scriptures of Navrasnama and 'Tarikh-E-Firista' and also about the preservation of the buildings of Afazalkhan in Afalzapur. In the last and the sixth session the Chief Guest Adv. Jagirdar expressed his gratitude for having given him the respect as the Chief Guest of the seminar. He also stressed the need of conservation of the rich heritage of India. Dr.R.R. Kumbhar was the president of the session. Dr. C.G. Patil explained the aim and purpose of the seminar. Prof. G.K.Patil introduced the seminar. Anchoring of the seminar was done by Dr. A.A. Patil and Dr. S.S. Kale. Prof. B.B. Bagal expressed vote of thanks.

**Inauguration Function /Welcome:
Inaugurated by Hon. Dr. D. T. Shirke, Dr. D.T. Shirke, Pro-vice Chancellor of Shivaji
University, Kolhapur.
President Prin. Dr. R. R. Kumbhar, P.D. V. P. Mahavidyalaya, Tasgaon.**

The Seminar was inaugurated by Hon. Dr. D. T. Shirke, Dr. D.T. Shirke, Pro-vice Chancellor of Shivaji University Kolhapur. The function was presided over by Prin. Dr. R. R. Kumbhar, P.D. V. P. Mahavidyalaya, Tasgaon. Dr. C.G. Patil welcomed the delegates and introductory speech delivered.

Dr. D.T. Shirke, Pro-vice Chancellor of Shivaji University Kolhapur, emphasized the need and significance of this as a Chief Guest of the opening ceremony of the two - day national seminar organized by the Department of History in Padmabhushan Dr. Vasantodada Patil Mahavidyalaya, Tasgaon (Sangli). Dr. R.R. Kumbhar was the president of this seminar. Dr. Shirke further illustrated the point by saying that the mentality of Indian people is to exchange and repair only the faulty parts and not to change the total thing; they tend to repair or change useless or decayed parts in the house, but not to build or purchase a new house. Similarly, they tend to repair and preserve the rich heritage of Indian history. India is richer and greater than Australia and Canada due to our cultural greatness. The students of the Department of History of this college are going to read their research papers related to cultural greatness and herigate of India. This shows that the centre of merit is in rural India. I have deep respect about this college and its management.

Chief Guest Address: Hon. Dr. D. T. Shirke, Dr. D.T. Shirke, Pro-vice Chancellor of Shivaji University, Kolhapur.

Presidential Address: Prin. Dr. R. R. Kumbhar, P.D.V.P. Mahavidyalaya, Tasgaon.

Keynote Address: Dr. Sachin Joshi , Pune, Member of Forts Conservation Committee Maharashtra State

Preliminary Session Speaker: Mr. Kiran Kalmadani, Eminent Conservationist

On the occasion of seminar one plenary session started with the speech by an eminent personality in history Dr. Sachin Joshi member of Forts Conservation Committee Maharashtra State on in his speech Dr. Sachin Joshi expressed his thought on Local heritage. He said, A keen student of civic and local history, Historians today need to look at heritage history in a more innovative and clinical way, discussing how to make heritage history research more effective in addition to the study methods of cultural history. If historians have not done so the work of heritage history will be limited to satisfying the curiosity of the heritage about the old things, and beyond that, the opportunity to write a history that is useful to non-natives will be lost. Plenary session president was eminent historian Dr. A.M. Sutar, Kolhapur. In his Presidential Speech he pointed out the contribution of society in heritage history and Cultural history in India. In this speech he highlight from 1970 as the changing approaches in history.

About the Workshop

Every year Shivaji University, Kolhapur announces schedule for entrance examination of various Post Graduate courses.

Most of the students pursuing their under graduate degrees are interested in post graduate courses as they find more advanced opportunities in various fields. To get admission for postgraduation, the students have to face entrance examination. M. Sc. Entrance examinations are conducted by Universities and various autonomous colleges.

Every year we notice that the UG students don't have enough knowledge regarding the process of entrance examination and admission for postgraduation. The students are unaware of guidelines prescribed by the University.

So we decided to conduct a workshop which will be helpful for the B. Sc. III students who are trying for M. Sc. entrance examination, in order to train and make them ready to battle on the grounds of entrance exams. We planned the workshop programme so as to provide complete information to the students.

Many students don't even know how to fill application form. What is the format of exam, which is last date to apply etc. Hence in this workshop we focused on addressing these simple but important guidelines. Moreover, we also involved students from M. Sc. I and M. Sc. II to share their experiences with their juniors alongwith guidance of teachers.

We finalized the programme and B. Sc. III students were informed regarding this workshop.

Dr. Anand Parthab

This screenshot shows a Zoom meeting in progress. The main slide displays the text 'PERSONALITY DEVELOPMENT' in large, bold, black letters. Below the text, there is a red signature 'Dr. Anand Parthab' and a photograph of a modern, multi-story building with a glass facade. The Zoom interface includes a 'Participants' list on the right, a 'Take control' button at the top, and a video gallery at the bottom showing several participants.

Personality development is actually the development from the organized pattern of attitudes and behaviors which make an individual distinctive.

This screenshot shows a Zoom meeting in progress. The main slide features a graphic of a person's head profile in black and yellow. Inside the head, there are colorful gears and a ladder extending upwards. To the right of the graphic, the text reads: 'Personality development is actually the development from the organized pattern of attitudes and behaviors which make an individual distinctive.' The Zoom interface includes a 'Participants' list on the right, a 'Take control' button at the top, and a video gallery at the bottom.

This screenshot shows a Zoom meeting in progress. The main slide displays a cartoon illustration of a large grey elephant. Several children in colorful clothing are gathered around the elephant, some holding tools like a saw and a hammer, suggesting they are working on or observing the elephant. The Zoom interface includes a 'Participants' list on the right, a 'Take control' button at the top, and a video gallery at the bottom.

Self-Motivation is the key to success.

This screenshot shows a Zoom meeting in progress. The main slide features a central image of a glass of water. Below it, there are four colored boxes containing text: '1. Be Positive', '2. Be Proactive', '3. Be Persistent', and '4. Be Perseverant'. Above the glass, the text reads 'Self-Motivation is the key to success.' The Zoom interface includes a 'Participants' list on the right, a 'Take control' button at the top, and a video gallery at the bottom.

This screenshot shows a Zoom meeting in progress. The main slide displays two side-by-side images. On the left is a portrait of a woman wearing a red turban and a red sari. On the right is a close-up image of a human skull. The Zoom interface includes a 'Participants' list on the right, a 'Take control' button at the top, and a video gallery at the bottom.

ATTITUDE

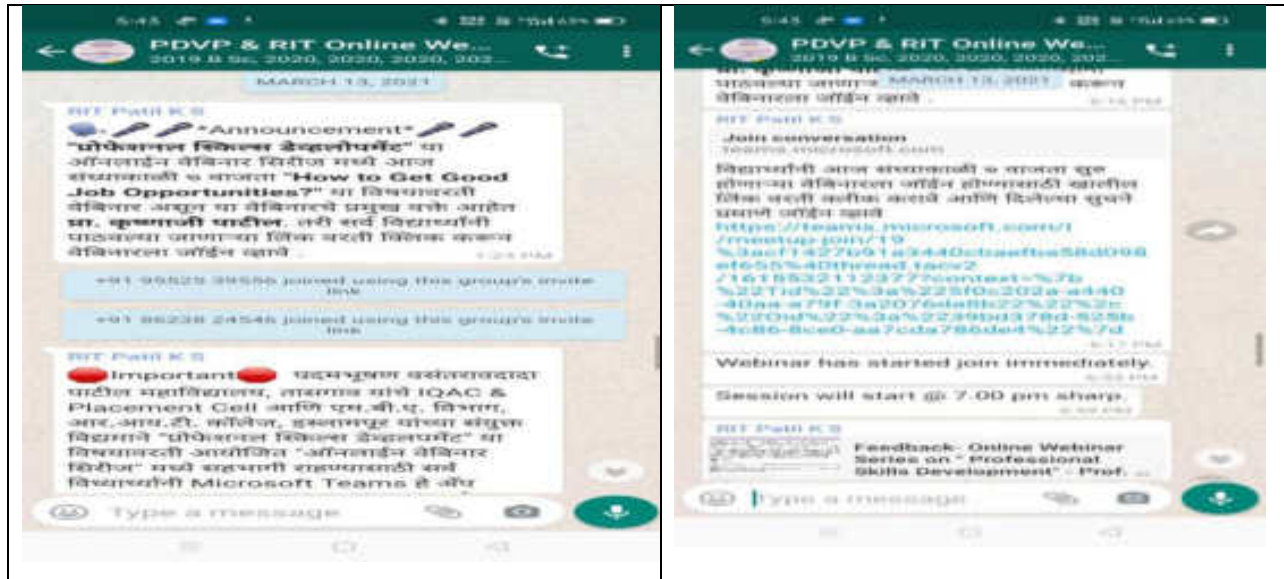

A+T+H+I+D+O+E
1+20+20+10+20+21+4+31

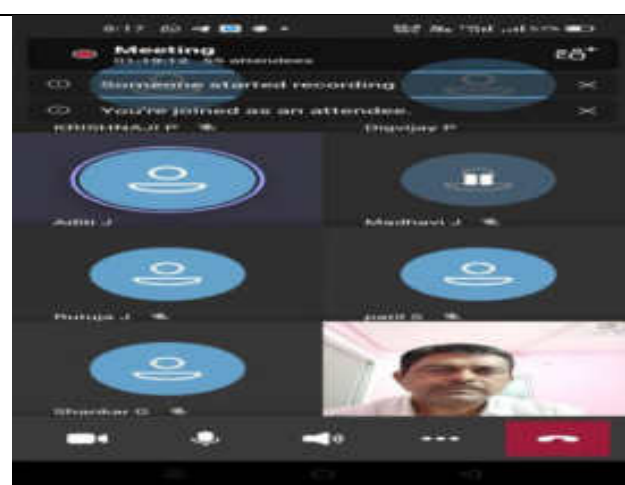

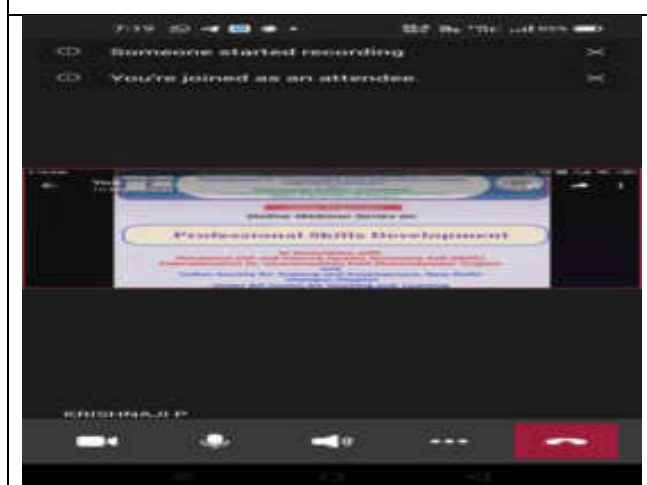

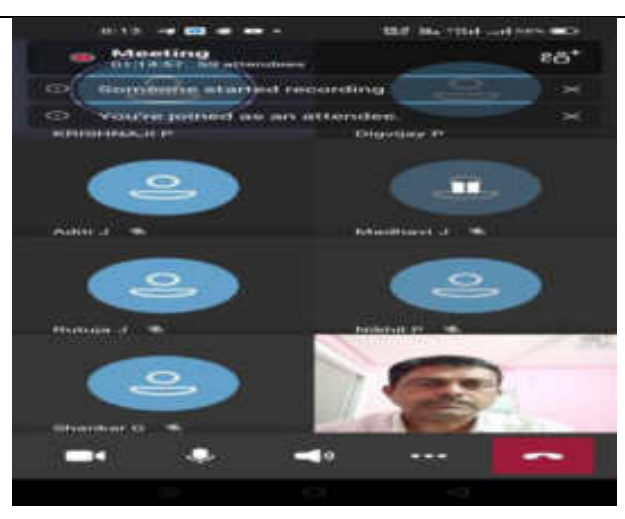

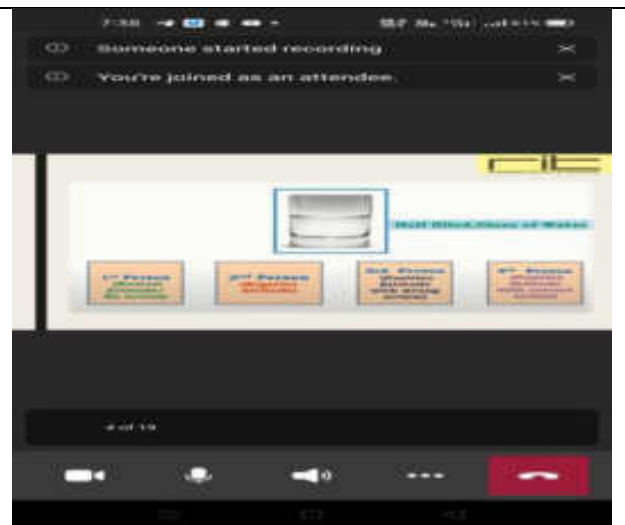

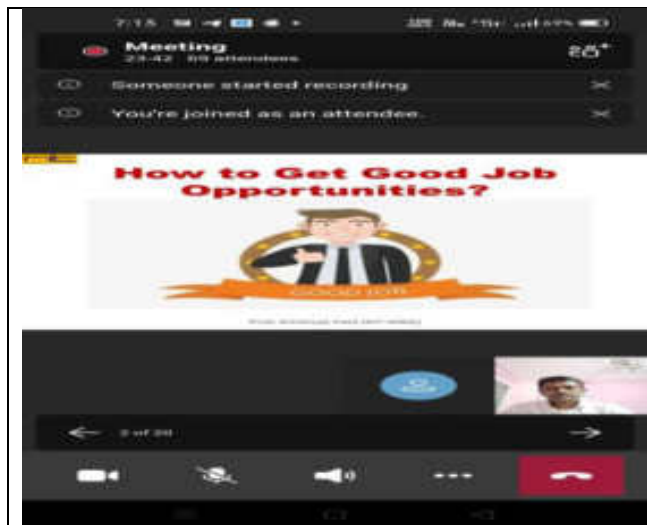

It is ... towards
Life and work that makes OUR
Life 100%!!!

This screenshot shows a Zoom meeting in progress. The main slide has a gold background. At the top, the word 'ATTITUDE' is written in large, bold, white letters. Below it is a mathematical formula: 'A+T+H+I+D+O+E' followed by '1+20+20+10+20+21+4+31'. Further down, the text reads: 'It is ... towards Life and work that makes OUR Life 100%!!!'. The Zoom interface includes a 'Participants' list on the right, a 'Take control' button at the top, and a video gallery at the bottom.

Activity	Banking Opportunities and Nature of Examination
Chief Guest	Dr. Mansing Jadhav
Participants	146
Organizer	Compitative Examination Cell

We have organized motivational and inspirable lecture on ‘Banking Opportunities and Nature of Examination’ of Dr. Mansing Jadhav

Dr. Mansing Jadhav has guided each and every aspect about the compitative examination, its nature and opportunities.

On behalf of Department of Competitive Examination , we have organized guest lecture of Dr.Mansingh Jadhav , Ex Sinet member and Chairman of Executive council on ‘Banking Opportunities and nature of examinations’ on Monday 23/12/2019 at 12.00 pm

The demand for taking up a career in banking, among young aspirants is rising than ever before!

For a developing country like India, banks are considered as the backbone of the country's economy. The global turmoil in the financial segment that occurred a few years ago had the least effect on our country's banking sector because of our sound banking and financial system. The banking sector in India is growing at a rapid rate and is among one of the fastest growing industry vertical.The rapid advancements and growth in the **banking sector** has paved way for many banking career opportunities. The banking sector in India is gearing itself and there are much more private banks to come in the near

future. All of these bring in huge career opportunities for those who aspire to become future bankers.

His motivational and inspirable lecture was very nice. At this time audience was present on a large scale. He gave several examples which will become helpful for students in their career.

Guest Dr.Mansingh Jadhav Resource person lecture on " Banking Opportunities and nature of examinations

After Primary information of our function given by committee member Dr. Kuldip Patil in introductory speech, Head, Prof. Prabhakar Patil gave introduction of Guest. Professor Dr. N. A. A Report on

***"MPSC/UPSC" Competitive
Examination***

29th Aug 2019

Activity	MPScC/UPSC
Chief Guest	Dr. Shivraj Patil, Pune
Participants	328
Organizer	Compitative Examination Cell

We have organized motivational and inspirable lecture on ‘MPSC/UPSC competitive examinations “of Prof.Shivaraj Patil, Pune

In first term of academic year 2019-2020, on behalf of the Department of Competitive Examinations , this is one motivational lecture in front of students. He gave many tips to do study well. Dr. Shivraj Patil told many stories about struggle for existence in this field. Dr. Kuldip Patil told in his introductory speech about various programs of our department. Prof. Prabhakar Patil was president for this function. Large number of students were present for this event.

Dr. Shivraj Patil has guided each and every aspect about the compitative examination.

The **Union Public Service Commission** commonly abbreviated as **UPSC**, is India's premier central recruiting agency for central government public servants. It is responsible for appointments to and examinations for **Group A & Group B** posts under civil services cadre and defence services cadre of central government .^[1] While Department of Personnel and Training is the central personnel agency in India.

The commission is mandated by the Constitution for appointments to the services of the Union and All India Services. It is also required to be consulted by the Government in matters relating to the appointment, transfer, promotion and disciplinary matters. The commission reports directly to the President and can advise the Government through him.

Although, such advice is not binding on the Government. Being a constitutional authority, UPSC is amongst the few institutions which function with both autonomy and freedom, along with the country's higher judiciary and lately the Election Commission.

The commission is headquartered at Dholpur House, in New Delhi and functions through its own secretariat. Pradeep Kumar Joshi has been the Chairman of UPSC since August 2020.

It is the top most service under Group A Services under Maharashtra Public Service Commission and people recruited in this service become Assistant Commissioner/Deputy Collector/Assistant Collector/Sub Divisional Magistrate/Chief Executive Officer/Assistant Director in any Ministry under Government of Maharashtra....etc.

Maharashtra Public Service Commission (MPSC) is a Constitutional Body established Under Article 315 of Constitution of India which provides a smooth and efficient functioning of the Government of Maharashtra by providing suitable candidates for various Government posts and advise them on various service matters like formulation of Recruitment Rules, advise on promotions, transfers and disciplinary actions etc.

The **Maharashtra Public Service Commission (MPSC)** is a body created by the Constitution of India under article 315 to select **Group 'A'** and **Group 'B'** civil servants for the Indian state of Maharashtra according to the merits of the applicants and the rules of reservation.

The Head Office of the MPSC is located at the Maharashtra State Capital Mumbai

All this information and skill to study for these competitive exam was elaborated by Dr. Shivraj Patil

His motivational and inspirable lecture was very nice. At this time audience was present on a large scale. He gave several examples which will become helpful for students in their career.

Guest lecture by Dr. Shivraj Patil Pune entitled "MPSC/UPSC Examinations"

Participant /Students of Arts, Science, Commerce

We the members of this committee are thankful to Principal Dr. Milind Hujare, PDVP College Tasgaon. We are also thankful to all staff members viz. teaching, non teaching staff of Senior wing of our college. We are thankful to all students, academics to make this event successful .

A Report on

**"MPSC/UPSC Examination
Guidance"**

29th August 2019

Activity	Banking Opportunities and Nature of Examination
Chief Guest	Dr. Shivraj Patil, Pune
Participants	158, 54 Male, 104 Female
Organizer	Compitative Examination Cell

We have organized motivational and inspirable lecture on ‘MPSC/UPSC competitive examinations “of Prof. Shivaraj Patil, Pune

In first term of academic year 2019-2020, on behalf of the Department of Competitive Examinations , this is one motivational lecture in front of students. He gave many tips to do study well. Dr. Shivraj Patil told many stories about struggle for existence in this field. Dr. Kuldip Patil told in his introductory speech about various programs of our department. Prof. Prabhakar Patil was president for this function. Large number of students were present for this event.

Dr. Shivraj Patil has guided each and every aspect about the compitative examination.

The **Union Public Service Commission** commonly abbreviated as **UPSC**, is India's premier central recruiting agency for central government public servants. It is responsible for appointments to and examinations for **Group A & Group B** posts under civil services cadre and defence services cadre of central government .^[1] While Department of Personnel and Training is the central personnel agency in India.

The commission is mandated by the Constitution for appointments to the services of the Union and All India Services. It is also required to be consulted by the Government in

matters relating to the appointment, transfer, promotion and disciplinary matters. The commission reports directly to the President and can advise the Government through him. Although, such advice is not binding on the Government. Being a constitutional authority, UPSC is amongst the few institutions which function with both autonomy and freedom, along with the country's higher judiciary and lately the Election Commission.

The commission is headquartered at Dholpur House, in New Delhi and functions through its own secretariat. Pradeep Kumar Joshi has been the Chairman of UPSC since August 2020.

It is the top most service under Group A Services under Maharashtra Public Service Commission and people recruited in this service become Assistant Commissioner/Deputy Collector/Assistant Collector/Sub Divisional Magistrate/Chief Executive Officer/Assistant Director in any Ministry under Government of Maharashtra....etc.

Maharashtra Public Service Commission (MPSC) is a Constitutional Body established Under Article 315 of Constitution of India which provides a smooth and efficient functioning of the Government of Maharashtra by providing suitable candidates for various Government posts and advise them on various service matters like formulation of Recruitment Rules, advise on promotions, transfers and disciplinary actions etc.

The **Maharashtra Public Service Commission (MPSC)** is a body created by the Constitution of India under article 315 to select **Group 'A'** and **Group 'B'** civil servants for the Indian state of Maharashtra according to the merits of the applicants and the rules of reservation.

The Head Office of the MPSC is located at the Maharashtra State Capital Mumbai

All this information and skill to study for these competitive exam was elaborated by Dr. Shivraj Patil

His motivational and inspirable lecture was very nice. At this time audience was present on a large scale. He gave several examples which will become helpful for students in their career.

Guest lecture by Dr. Shivraj Patil Pune entitled "MPSC/UPSC Examinations"

Participant /Students of Arts, Science, Commerce

We the members of this committee are thankful to Principal Dr. Milind Hujare, PDVP College Tasgaon. We are also thankful to all staff members viz. teaching, non teaching staff of Senior wing of our college. We are thankful to all students, academies to make this event successful .

Subject: -Seeking permission to conduct "Career Guidance" program for the final year graduation students.

Dear Sir,

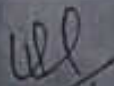

We at Department of Management Studies (MBA), Rajarambapu Institute of Technology (An Autonomous Institute) are glad to inform you that, we are initiating the "Career Guidance" program for the final year graduation students in all streams. The program is intended to make the students familiar with career options available after graduation.

We are trying to support the students in getting career opportunities in future. We need your cooperation and support for giving shape to the student's career. Kindly inform your final year graduation students about this program and allow us to conduct the program in your college campus. It should also be noted that the program is **free (No Fees)** to ensure wider participation. Please allow us for the same so that students can benefit from the same.

For more details contact to Prof. K. S. Patil on Mob. 8149250102.

Thanking You,

Yours Faithfully,

Head of Department

To,
The Principal,
PDVP College, Tasgaon.

Subject: -Seeking permission to conduct "Career Guidance" program for the final year graduation students.

Dear Sir,

We at Department of Management Studies (MBA), Rajarambapu Institute of Technology (An Autonomous Institute) are glad to inform you that, we are initiating the "Career Guidance" program for the final year graduation students in all streams. The program is intended to make the students familiar with career options available after graduation.

We are trying to support the students in getting career opportunities in future. We need your cooperation and support for giving shape to the student's career. Kindly inform your final year graduation students about this program and allow us to conduct the program in your college campus. It should also be noted that the program is free (No Fees) to ensure wider participation. Please allow us for the same so that students can benefit from the same.

For more details contact to Prof. K. S. Patil on Mob. 8149250102.

Thanking You,

Yours Faithfully,

Head of Department

NSS Volunteers Cleaned the roadside mud

It was in late July, when due to unusually high rainfall during monsoon, a severe flood affected Sangli and neighboring villages along the bank of the river Krishna. This flood caused huge destruction, impacting the lives, infrastructure and conditions of residents.

After the calamity, the institute's 'National Service Scheme', in collaboration with Gram Panchayat, Tawdarwadi (Dhangaon), organized a 'Cleanliness Programme' in the village.

The event started at 11:00 am and ended at around 05:30. NSS volunteers participated in this event. There were 4 teams made out of these volunteers, who visited and cleaned in different areas of the village.

Flood Helping Hands

Title of Programme	: Flood Helping Hands (Kerala State)
Organizing Department	: National Service Scheme
Lecturer & Guidance	: Mr. Walmik Khairnar (Yogaguru, Art of Living, Tasgaon)
Date	: 21 st June, 2018.
Venue	: College Apex
No. of Participants	: 263

On 8 August 2019, due to heavy rainfall in the Monsoon season, severe flood affected the southern Indian State of Kerala. As a security measure in the prevailing situation of heavy rains, the Government of Kerala had issued Red alert in the 9 districts in Northern and Central Kerala, orange alert in 3 districts of Central Kerala, and yellow alert in the 2 districts of southern Kerala. Thousands of people have been evacuated to safer places and relief camps. A total of 101 people have died due to rain-related incidents since 14 August 2019, these camps now host more than 2 lakh people from various parts of the state.

That's why our department decided collecting funds for flood affected Kerala state. When our volunteers collected the funds from the college students and they responded very freely and frankly.

Flood Relief Initiatives

09th August 2019

2019-20

Activity	Flood Relief Initiatives
Village	Bhilavadi, Sangli
Total Participants	207
Students	M: 108, F: 99

The spectre of floods hovers once more over Sangli district in Western Maharashtra following incessant rain in the catchment area throughout the July last week and August first week. This has resulted in a massive discharge of water from major dams like Koyna, spiking the water level in the Krishna river basin that passes through Sangli.

Faculty members and all the students of the college donated essentials for those people in the form of clothes, food, water bottles, blankets and other essentials. The material that is collected and distributed personally in the flood hit area and villages on August 09, 2019 depending on the intensity of rain.

So far, we have received clothes, food, water bottles, blankets and other necessities that were enough to fill the truck from all the students and faculty members.

Dr. Milind Hujare, and 10 faculty members along with NSS volunteers visited and distributed that area and villages for distribution of essential materials as well as to give moral support to those people suffering from flood disaster.

शासनाच्या अनागोंदीमुळे पूरग्रस्त अडकले चार दिवस

चारही बाजूने पाण्याने वेढल्याने भिलवडी गावातून ग्रामस्थांना बाहेर येता येईना : अपुया बोटी,लाईफ जॅकेटचा तुटवडा

धन:शाम मोरे
भिलवडी

प्रशासनाच्या अनागोंदी कारणातुळे भिलवडीतील पूरग्रस्त गैरी चार दिवस पुरता अडकून पडले आहेत. गैरी चार दिवस झाले भिलवडी गाव संतुर्ण सध्यात गेले असून गावाला चारी बाजूने पाण्याने वेढ दिला आहे. तरीही प्रशासनाच्या हिताळ कारणातुळे पूरग्रस्त ग्रामस्थ बाहेर येईना पूरग्रस्तांचे नाविचारक बाहेरून प्रशासनला जाय विचारत आहेत तरीही प्रशासन याकडे यांचीचिने घेईना झाले आहे.

गैरी पाच दिवस झाले. कुठ्या नदीने रेटसर धारण केले असून हजारो ग्रामस्थ अदाय बाहेर आलेले नाहीत. अपुया बोटी व लाईफ जॅकेटचा तुटवडा असून केवळ एक दोन बोटीच्या सहाय्यानेच ग्रामस्थांची बचाव प्रक्रिया सुरू आहे. प्रशासनाने शासकीय यंत्रणा राबविण्यास दिरंगाई केली आहे.

पालकमंत्री सुभाष देशमुख व विज्ञान अधिकारी अभिजीत चौधरी यांच्या आडमा वेळीत शासकीय अधिकार्यांनी सुकीची माहिती देत सर्व संस्था सज्ज असण्याची बोटी माहिती देत आठ बोटी व दोनहे लाईफ जॅकेट आहे, अशी माहिती दिली. परंतु अस्तुचित्वाचे प्रथम दोन बोटी केवळ होत्या.

भिलवडी : आ. डॉ. विश्वजित कदम यांच्यामार्फत व अनेक सामाजिक संस्थांच्या मार्फत पूरग्रस्तांची भोजनाची व्यवस्था करण्यात आली. यतून शेकडो पूरग्रस्तांची वेवण्याची व्यवस्था केली जात आहे. (छाया : धन: शाम मोरे)

भिलवडी : पूरग्रस्तांना कॅम्पिट व कपडे वाटव करताना सामाजिक संस्थेचे सदस्यिकांनी यापुढे अनेक कुटुंबांना आधार मिळाला आहे. (छाया , धन : शाम मोरे)

यात भिलवडी जि. व एक अधि जेठुकर परिस्थितीत एक शासकीय यंत्रणेची बोटीच नसल्याने ग्रामस्थांना बाहेर बळग्यासाठी फार दिरंगाई तागत होती. यामुळे ग्रामस्थांचा प्रमुख नेत्या समवेत चार होत होता. तरीही हजारो ग्रामस्थ पुरत अडकून पडले. गैरी तीन ते चार दिवसांनी एम. डी. आर. एफ. चे अन्न दोन बोटी पंजन जाले. तरीही ग्रामस्थ बाहेर काढण्याचा जोय कमीच होता सध्या दिवशी मात्र चार

बोटी जवळच झाल्याने ग्रामस्थांना बाहेर काढण्याचा जोय वाढला गेला परंतु या मू परिस्थितीत शासकीय यंत्रणा कोतमडून पावली असून केवळ आ. डॉ. विश्वजित कदम यांच्या पुढेकारणे मारली विव्याफेळ डॉ. पालकर कदम सोमरिग साखर बरखाना यांच्या संयुक्त पूरग्रस्तांना निघारा, जेवण अंगावर चढव कॅम्पिट औषध संप याची जबरदस्त यंत्रणा राबविण्यात आली परंतु, कडेगांव, तासगांव, बळदेगावकाळ

पंढरपूर, जात, तातुन्पातुन अनेक सामाजिक संस्था संसारपणेने साहित्य व वेवण कपडे जनसंघांचा चार घाची मदत मोठ्या प्रमणात करीत आहेत.

परंतु पू. ओसरालेनंतर घरांची विलंबत पडसह होते याची बळकी पूरग्रस्तांना तातुन राहिली आहे.

इयानाच जलसमाप्ती दुर्घटनेच्या अनेक इयानाचकांनी प्रशासनस पूरग्रस्तांना लाईफ जॅकेट व एक शासकीय बोटी या अशी मागणी केली होती. परंतु प्रशासनाने त्याबद्द

कानाडोळा केला. परंतु लाईफ जॅकेट आणि बोटीची मदत केली असती तर या दुर्घटनेतील आणखी जलस्थ बचावले असते.

या घटना पाहल्यानंतर अनेक ताळांनी शासकीय यंत्रणा दिरंगाईने इयानाच घटना क्रियाची जलत साण्याने या शासकांच्या अनागोंदी यंत्रणे बाबत ग्रामस्थ नाहाली बळक करू लागले आहेत. त्यामुळे ग्रामस्थ शासकीय यंत्रणेवर नाएत अतत्याचे दिसून येत आहे.

NDRF and NSS Volunteers in a Rescue operation in Sangli City, along with Mr. Suhel Sharma (IPS), SP, Sangli

It was in late July, when due to unusually high rainfall during monsoon, a severe flood affected Sangli and neighboring villages along the bank of the river Krishna. This flood caused huge destruction, impacting the lives, infrastructure and conditions of residents.

After the calamity, the institute's 'National Service Scheme', in Center for Disaster Management, Collector Office, Sangli organized a 'Cleanliness Programme' in the Sangli and Bhilwadi village.

Wearing a face mask will help prevent the spread of infection and prevent the individual from contracting any airborne infectious germs. When someone coughs, talks, sneezes they could release germs into the air that may infect others nearby. Face masks are part of an infection control strategy to eliminate cross-contamination. Taking into consideration all these importance our NSS unit decided to distribute free mask in the society.

Subject: Regarding closure of the DST-FIST project (SR/FST/College-208/2014)

Reference: Email from Shubham Goel (goel.shubham@gov.in), dated 25th Oct. 2021

Dear Sir,

With reference to above subject, we sincerely thank DST for supporting our research and academic program through the FIST Programme. We are submitting here with the documents required for the closure of the sanctioned project. Furthermore, we here informed that our college is awarded for Rs. 50,00,000/- under DST-FIST Project (Level-0) and first installment of grant sanctioned amount Rs. 39,50,000/- was received in March 2016. The sanctioned amount has been utilized for the purpose for which it was sanctioned in accordance with the terms and conditions laid down by DST-FIST. Remaining grant Rs. 10,50,000/- till not received.

Therefore, we request you to accept project closure documents. Kindly issue the project completion certificate and release remaining sanctioned grant at earliest.

Thanking You.

Yours Sincerely,

Brief Outline College/Department

The College is run by Shri Swami Vivekanand Shikshan Sanstha, Kolhapur which is one of the biggest multidimensional educational institutes in Maharashtra, and which is spread over 12 districts. This sanstha was established in 1954 with a motto “Dissemination of Education through Knowledge, Science and Culture” by Shikshanmaharshi Dr. Bapuji Salunkhe. The college was established in 1962. The college has been awarded with “Highest Merit Scholarships in Rural College” by Shivaji University, Kolhapur for two successive years in 2015-2016 and 2016-2017 and securing first rank in faculty of commerce rural category 2019-2020.

Teaching & Research Activities

Ours is a multi-faculty college conducting **17** Undergraduate, **10** Post- Graduate and **04** recognized research laboratories with **21** certificate/add-on courses. All Science laboratories are well-equipped and supported with ICT facilities. Total **12** research projects have been sanctioned with total quantum **69.83 lakh** by various funding agencies. The total number of research guide-**11**, PhD registered students-**23**, PhD degree awarded-**8**, PhD Thesis Submitted-**6**, Research fellowships JRF/SRF-**7**, Patents-**2** (Granted-1, Filed-1), University Gold medallist-**1**, NET/SET/GATE qualified-**14** and **132** research publications of all faculties in the last five years. All the faculty members are involved in publishing research work in national/international reputed research journals.

Facilities Created

- **Networking & computational facilities (NW):**

We have already well-established computer laboratories for all the science departments, and the computer laboratory for the department of Mathematics has been developed through DST-FIST support. It includes network of 15 computers with internet connectivity, HP all-in-one printer, 5 KVA backup, 12V-150 AH Tubular Battery. This facility has been made available to UG and PG students for conducting laboratory demonstrations, online educational programs for e-learning.

- **Gas Chromatography (GC):**

This equipment enables qualitative analysis of complex samples. It helps us in research work (especially catalysis) including a planning and pre-investigation of samples as follows:

- a) Characterization and analysis of samples of actual research work,
- b) Providing training to UG, PG and research students.

This helps us to give training to B. Sc. and M. Sc. Students. Many of our M. Sc. students are doing project works on GC. This training has helped them to enhance research awareness.

- **Network Analyzer (6 GHz):**

This instrument has been used for measurement of microwave absorbing properties (S-parameter) of synthesized ferrite material. Such type of microwave absorber material may be useful in different applications such as RADAR, microstrip patch antenna, etc.

7. Details of networking:

- Computer facility is developed in the Department of Mathematics.
- It includes Dell Vostro 3250 Desktop, Intel dual core 5th generation, 4 GB DDR3 SDRAM, 500 GB Hard Disk, DVD Rw, 18.5” LED Display, Dell keyboard and mouse. Network of 15 Computers with internet connectivity, HP MFP 1005 all-in-one Printer, D-link Cat 6e, Antivirus, OMR software, 5 KVA backup (make: opal) and 12V-150 AH Tubular Battery (make: superpower).
- This Internet facility is available to the UG, PG and research students for preparation of their project work, research work, and as a result they have participated in different poster presentations, research competitions organized by various institutes.
- Due to networking and computational facilities, B. Sc. III students can easily access online books, journals, subject-related videos for updating their knowledge in the concerned subjects.

8. Utilization of the facilities created under FIST support:

a) For teaching:

The students are using C, C++ languages, R package and SCILAB, MATLAB software to perform their regular practical. These facilities have been used to study computer-oriented numerical methods, and for other computational work.

B. Sc. Part-II (Semester-III)

1. Introduction: Application, feature, scilabs environment workspace, working directory, Scilab as a calculate, operators, mathematical predefined functions, constants, variables and their types.
2. Matrix: Rows matrix, column matrix, general matrix, operation on matrix addition, subtraction, product.
3. Accessing element of matrix: Size of Matrix, Length of matrix, accessing element using one index, two indices
4. Sub Matrix: Accessing sub matrix of given matrix using ‘:’ operator & ‘\$’ operator
5. Advanced matrix operations: Matrix functions: eye, zero, ones, empty matrix, element-wise operation, determinant, inverse, trace of matrix & diagonal element of matrix.
6. Polynomial: Creating a polynomial 1) using roots 2) using coefficients, roots of polynomial, derivative companion matrix, numerator & denominator of rational, simplifying rational.
7. Plotting graph: Creating graphs of simple functions.
8. Introduction Scilab programming: disp, Boolean operators, conditional statement (if select), find, and looping statement.

B. Sc. Part-II (Semester-IV)

1. Advanced Scilab programming using function: Creating Scilab function and its execution.
2. Numerical Methods to find roots of a given of a given function:
 - (a) Bisection Method
 - (b) Newton-Raphson Method.
3. Interpolation
 - (a) Lagrange's interpolation formula
 - (b) Newton Gregory forward interpolation formula. (c) Newton Gregory backward interpolation formula.
4. Graph theory: Havel-Hakimi Theorem, Transitive closure.
5. Numerical Integration:
 - (a) Trapezoidal Rule
 - (b) Simpson's $1/3^{\text{rd}}$ Rule (c) Simpson's $3/8^{\text{th}}$ Rule
6. Characteristic Polynomial: Characteristic polynomial, its coefficients, roots (Eigen values), Derivation of Eigen Vectors using roots, Direct Derivation of Eigen Values and vectors using Spec(), Verify Cayley- Hamilton theorem using coefficients.
7. Numerical Methods for solution of Ordinary Differential Equations:
 - (a) Euler Method
 - (b) Euler's Modified Method
 - (c) Runge-Kutta Second and Fourth order Method
8. Numerical Methods for solution of a system of Linear Equations: (Unique solution case only)
 - (a) Gauss-Elimination Method. (b) Gauss-Jordan Method.

B. Sc. Part III MATHEMATICS (Practical)

1. Linear Programming
Simplex Method: Maximization Case Simplex Method: Minimization Case
Two-Phase Method
Big-M-Method
2. Transportation Problems
North- West Corner Method
Least Cost Method
Vogel's Approximation Method Optimization of T.P. by Modi Method
3. Assignment Problems
Hungarian Method
Maximization Case in Assignment Problem Unbalanced Assignment Problems
Traveling Salesman Problem
4. Theory of Games
Games with saddle point
Games without saddle point: (Algebraic method)
Games without saddle point:
 - a) Arithmetic Method
 - b) Matrix MethodGames without saddle point: Graphical method

B. Sc. Part III MATHEMATICS (Practical)

Computational Mathematics Laboratory –V

- 1 Bisection method
- 2 Secant method
- 3 Newton's method
- 4 Gauss elimination method
- 5 Gauss-Jordan method
- 6 Jacobi iteration scheme
- 7 Gauss-Seidel method
- 8 Power method
- 9 Newton's forward interpolation
- 10 Newton's backward interpolation
- 11 Lagrangian interpolation
- 12 Divided difference interpolation
- 13 Trapezoidal rule
- 14 Simpson's $1/3^{\text{rd}}$ rule
- 15 Second order Runge-Kutta method
- 16 Fourth order Runge-Kutta method

B. Sc. Part III MATHEMATICS (Practical)
Computational Mathematics Laboratory – VI Numerical Recipes in C++, Scilab

- 1 C++ -Introduction : History, Identifiers, Keywords, constants, variables, C++ operations.
- 2 Data types in C++: Integer, float, character. Input/Output statements, Header files in C++, iostream.h, iomanip.h, math.h
- 3 Expressions in C++ : (i) constant expression, (ii) integer expression, (iii) float expression, (iv) relational expression, (v) logical expression, (vi) Bitwise expression. Declarations in C++.
- Program Structure of C++ .
- Simple program to “ WEL COME TO C++ ”.
- Control Statements:
- (a) if, if – else, nested if.
- (b) for loop, while loop, do-while loop.
- 4 (c) break, continue, goto, switch statements.
- *Euclid's algorithm to find gcd and then to find lcm of two numbers a, b
- *To list $1!, 2!, 3!, \dots, n!$.
- * To print prime numbers from 2 to n.
- 5 Arrays : (a) Sorting of an array. (b) Linear search.
- (c) Binary search. (d) Reversing string.
- 6 Functions : User defined functions of four types with illustrative programs each.
- Numerical Methods to find roots of a given function :
- 7 (a) Bisection function.
- (b) Newton – Raphson Method.
- Interpolation
- (a) Lagrange's interpolation formula.
- (b) Newton Gregory forward interpolation
- 8 formula.
- (c) Newton Gregory backward interpolation formula.

Numerical Methods for solution of a system of Linear Equations:

- 9 (Unique solution case only) (a) Gauss – Elimination Method. (b) Gauss – Jordan Method.

Numerical Methods for solution of Ordinary Differential Equations:

- 10 (a) Euler Method
(b) Euler’s Modified Method (c) Runge Kutta Second and Fourth order Method.

Computation with Scilab

(The Students is expected to familiarize with Scilab software for numerical computations)

- 11 1) Basics of Scilab: Introduction, creating real variables, elementary mathematical functions.
2) Creating matrix in Scilab, accessing elements in matrix.
3) Empty matrix, the colon “:” operator, the “eye” matrix, the dollar “\$” operator, element wise Operations.
4) Using Scilab functions to find the inverse of matrix, trace of matrix,
5) Determinant of square matrix, addition and multiplication of matrices, eigen values and eigen vectors.
6) Conditional statements and loops: the “if” statement, the “for” loop
7) Defining and using functions in scilab
8) Plotting : Creating graphs of simple functions.

B. Sc. Part III MATHEMATICS (Practical)
Computational Mathematics Laboratory – VII

1. On the following topics or any other equivalent topic: (i) Theorem on Pythagoras and Pythagorean triplets.
- (ii) On the determination of value of π .
- (iii) Remarkable curves.
- (iv) Orthogonal Latin Spheres.
- (v) Different kinds of numbers.
- (vi) Law of quadratic reciprocity of congruence due to Gauss. (vii) Invention of Zero.
- (viii) Vedic Mathematics.
- (ix) Location of objects in the celestial sphere.
- (x) Kaprekar or like numbers
- (xi) Playing with PASCAL TRIANGLE and FIBONACCI NUMBERS. (xii) CPM and PERT
- (xiii) Magic squares.
- (xiv) Software such as Mupad, Matlab, Mathematica, Xplore.
- (xv) Fuzzy Mathematics.
- (xvi) Applications of Fuzzy Mathematics.
- (xvii) Pigeon hole principle
- (xviii) Mathematics For All.
- (xix) Recent Trends in Mathematics. (xx) Rough sets and Soft sets.

B.Sc. (Mathematics) (Part-III) (Semester-V & VI)

Title of Course: Mathematical Computation Using Python

- 1 Introduction to Python:
Python, Anaconda, Spyder IDE, Python Identifiers and Keywords , data types, simple mathematical operation, Indentation and Comments., Input and Output, First Python program.
- 2 Expression and operators:
Expression, Boolean expression, logical operations: comparison operator, membership operator, identity operator, bitwise operator. Order of evaluation. File Handling : open, read, write, append modes of file.
- 3 Conditional Statements:
if-else, nested if-else, if-elif-else, try-except block.
- 4 Looping Statements, Control statements:
Looping Statements: for loop, while loop , Nested loops Control Statements: break, continue and pass.
- 5 Functions:
Built-in functions, User-defined functions, Arguments, recursive function, Python Anonymous/Lambda Function, Global, Local and Nonlocal variables and return statement.
- 6 Modules and packages in Python :
Modules, import, import with renaming, from-import statement, math module ,cmath module , random module, packages.
- 7 Python Data structure:
Strings, list, tuples, dictionary, set and array.
- 8 Operations on set and array:
Set operations, Intersection, union, difference, symmetric difference, searching and sorting.
- 9 Systems of linear algebraic equations:
Gauss Elimination Method, LU Decomposition Methods
- 10 Roots of Equations:
Bisection, Newton-Raphson Method
- 11 Initial Value Problems:
Euler's Method, Runge-Kutta Methods.
- 12 Magic square and Area calculation without measurement.
- 13 Graph Theory : Networkx
Graph, nodes, edges, directed graph, multigraph, drawing graph, Google page rank by random walk method
- 14 Collatz conjecture and Monte Hall problem
- 15 Data compression using Numpy
- 16 Data visualization in Python:
2D and 3D plot in python : line plot, bar plot, histogram plot, scatter plot, pie plot, area plot, Mandelbrot fractal set visualization.

12. SELF-ASSESSMENT OF THE IMPACT OF FIST SUPPORT:

The DST-FIST financial support to the college has enabled us to enrich the resources for development of teaching and research activities. The scheme has helped a lot for preparing the scientific environment favorable to conduct high quality research. The computer facility of the department of Mathematics has been fulfilled. Due to this facility many of our UG students have appeared for PG entrance tests of different universities, got through them, and sought admission to the PG courses.

a. New classroom experiments at B. Sc./M. Sc. or other levels

• DEPARTMENT OF CHEMISTRY

Chemistry is widely used in different industries as well as in research and development. The DST-FIST financial support has enabled the department to procure new equipment's, and it has been aided in upgrading existing teaching resources which have in turn improved the 'hands on' experimental exposure to the students. This has enhanced the quality of learning and teaching of the students and teachers respectively. The DST-FIST support has improved the following activities:

New experiments have been added at M.Sc. I (Semester I and II) in the subject of analytical and physical chemistry on instruments like pH-Meter and colorimeter under the support. All the new experiments are other than the prescribed current curriculum of the university. The following are the newly added experiments:

Sr. No.	Name of experiments	Instrument
1	To verify Beer-Labert's Law for KMnO_4 solution and hence to determine the molar extinction coefficient and unknown concentration of given solution colorimetrically.	Colorimetry
2	To verify Beer-Labert's Law and determine the concentration of dye solution colorimetrically.	Colorimetry
3	To determine dissociation constant of phenolphthalein colorimetrically.	Colorimetry
4	To find out the strength of the given HCl acid solution by titration against NaOH.	pH-Metry
5	pH-metric determination of constant of dibasic acid e.g. carbonic acid.	pH-Metry
6	Determination of acid and base dissociation constant of an amino acid using pH-meter.	pH-Metry

• **DEPARTMENT OF PHYSICS:**

The equipment funded by DST-FIST support have been used by the students and faculty members for preparation of research papers and their advanced projects. Research and project works have been carried out using instruments like Programmable furnace, Network analyzer, Electromagnet. Some projects have been carried out on

- i) Synthesis of Nanomaterial by Citrate Nitrate Combustion Method,
- ii) Development of Nickel Zinc ferrite for Microwave absorption,
- iii) Generation of Electricity with the help of Archimedes's principle.

Other equipments such as Digital storage oscilloscope, Spectrometer, Travelling microscope, Frequency generator, and Power supply have been used for improvements made in existing experiments. Thus, the addition of the new equipments has been helpful to us in overall improvement of the department.

Sr. No	Name of the Instrument	Application/Experiments
1	Frequency Generator	B. Sc. III To study Op-amp as an inverting amplifier To determine A.C. and D.C. sensitivity of the C.R.O. and to measure unknown frequency Self-Inductance by Owen's Bridge B. Sc. II To determine velocity of sound in air by Kundt's tube. To apply frequency to electronic circuit.
2	Oscilloscope	B. Sc. II To study Lissajous figures by using CRO To determine frequency of a crystal oscillator. B. Sc. III To built and test Colpitts oscillator using BJT. Measurement of phase shift of RC network using CRO To design and test an astable multivibrator using IC-555 Timer. To design and test monostable multivibrator using IC-555 Timer

		Measurement of frequency of electronic circuit
3	Spectrometer	B. Sc. II To determine the Resolving Power of a Prism. To determine the Resolving Power of a Plane Diffraction Grating. B. Sc. III Diffraction at a Single Slit Double refracting prism Schuster's method and optical leveling of spectrometer To determine the Resolving Power of a Prism, Grating
4	Travelling Microscope	B. Sc. I: Measurements of length (or diameter) using Vernier caliper, screw gauge and travelling microscope. B. Sc. II Newtons Ring Y- by Bending Measurements of diameter of object
5	Electromagnet	Used for research purpose to produced magnetic field.
6	Furnace	Used for research purpose to apply temperature to synthesized material
7	High Voltage Power Supply	Used for research purpose to apply voltages.
8	Network Analyzer	Used for research purpose for measurement of S-parameters.

• **DEPARTMENT OF BOTANY:**

Stereo Dissecting Microscope has been used for study of overviews of diseases of crop plants, fruity plants and different vegetables. Refrigerator has been used for preservation and maintenance of valuable chemicals and plant materials, and also for important practicals like microtomy/tissue culture. The students have done research projects in the field of silver nanoparticle and phytochemical analysis from regional medicinal plants. They have been using instruments like Colorimeter, Conductometer, pH-meter, Binocular Dissecting Microscope, etc. for their project work such as

1. Studies on pathogenic mycoflora inhabiting Indian currency notes.
2. Identification of pathogenic mycoflora, isolated from fruit juices.
3. Flowers's life with food and water,
4. A scientific approach and use of ethano-medical plants to celebrate festivals.
5. Phytochemical analysis of some common medicinal plants,
6. Green synthesis of silver nanoparticles from plants and their applications.
7. Determination of soil and water pH indicator.

24. Estimation of Chlorophyll by spectrophotometric method.
25. Demonstration of Ascent of sap in plants.
26. Permeability of plasma membrane.
27. Preparation of culture media.
28. Inoculation of soil fungi
29. Calorimetric estimation of DNA
30. Determination of chromosome count.

• **DEPARTMENT OF ZOOLOGY:**

The Microscope with Photography units has been used in the UG laboratory by B. Sc. III students for plankton study and photography in project works. The oven has been used in the UG laboratory by B. Sc. III students for microtomy in regular practical and histopathological research work by the faculty. The electrophoresis unit has been used for amino acid separation by the faculty to enrich the research. The centrifuge machine has been used in enzyme extraction, blood plasma separation by B. Sc. III students. The micropipette has been used in toxicological research by the faculty. The ESR tube (Wintrobe Tube with stand) has been used for erythrocyte sedimentation rate study. The slide cabinet has been used in the UG laboratory for storing slides. The Students at B.Sc. III have carried out the following projects using plankton net, Stereo Dissecting Microscope, Haemoglobinometer, etc.:

- i) Study of tube-feet number in *Asterias asterias* (Dissecting Microscope),
- ii) Study of physical fitness of students in relation to health status,
- iii) Measurement of students blood pressure,
- iv) Ectoparasites of domestic animals,
- v) Biodiversity of Nocturnal moth,
- vi) Diversity of zooplankton in Visapur fresh water lake.

Sr.No	Name of the Instrument	Use
1	Electrophoresis Unit	B.Sc III Electrophoresis Practical
2	Micropipettes	B.Sc I,II and III practicals
3	Slide cabinet	B.Sc I,II and III Practical
4	Haemoglobinometer	B.Sc III Heamoglobin Practical
5	Microscope with photography unit	B.Sc III Practical and for Research students for observing microscope object and their photography
6	Laboratory oven	Used for B.Sc III Practical and for Research students. Peticularly for microtomy pretical
7	Centrifuge machine	B.Sc II and III student practical purpose and also for research students. For DNA isolation
8	ESR Tubes (Wintrobes Tube with stand)	Used for B.Sc III Practical,to study the erythrocyte sedimentation rate
9	Plankton net	Used for B.Sc III student practical and for research students
10	Streo-Dissecting microscope	Used for Research students and B.Sc III practical for observing dissection.

- **DEPARTMENTS OF MATHEMATICS AND STATISTICS:**

The departments of Mathematics and Statistics conduct coaching for entrance examination for PG courses. After developing the computer laboratory, online e-learning study material was made available through this facility. The fund is utilized for installing 15 Desktop PCs in the department with internet connectivity. This facility has provided support to the students to learn C, C++ programming as well as to use reference material. The students use these facilities for computer-oriented numerical methods, experiments and to prepare projects. They also conduct experiments using SCILAB, MATLAB softwares. New practicals using R software have been introduced at UG level. These facilities are also used by the faculty members for their research works.

All the new experiments are other than the prescribed current curriculum of university. The following are the newly added experiments using computer facility:

1. Simulation: Discrete and continuous distributions (B. Sc. III),
2. Design of experiments: CRD, RBD, LSD (M.Sc. I),
3. Sampling (M.Sc. I),
4. Testing of Hypothesis: t-test, z-test, MP-test, UMP-test (M.Sc. I),
5. Quality Management: CUSUM chart, EWMA chart (M.Sc. I).

Projects at B.Sc. III level were carried out using computers on

- i) Fuzzy approach to washing machine,
- ii) Vision-2050,
- iii) A study of Fuzzy model in marketing of Raisin and Currant.
- iv) Statistical Analysis of Patanjali Products.

b. Success of students at national level tests (various PG/Ph.D. entrance tests and tests for JRF etc)

The activities emerged due to the support have enabled the chemistry students and faculty members to make overall improvement in the form of teaching-learning process. Some of the students have got university ranks and have been qualified for NET-JRF/SET/GATE examinations.

c. New research projects that emerged on the basis of the FIST support

Under the DST-FIST support, instruments like programmable furnace and phase contrast microscope have been purchased and utilized for advanced research work. The faculty members, research students and M. Sc. II Organic Chemistry students have been utilizing these facilities for their research and project works. A programmable furnace has been utilized for preparation of catalyst from bio-waste materials by calcination process. The study of formation of micelles has been done by using phase contrast microscope.

On the basis of this FIST support, following faculty members, has been sanctioned research project under the Research Initiation Scheme by Shivaji University, Kolhapur and PDVP College Tasgaon under Research Promotion Scheme.

Sr. No.	Name of Investigator	Title of Project	Funding agency	Amount (Rs./- in Lakh)	Year
1	Dr.. M. U. Patil	Utilization of Biobased material for organic transformation	Shivaji University, Kolhapur	0.80	2017
2	Dr. P. B. Teli	Influence of extract of dried fruit and terminal leaves of vitis vinifera L. on <i>Cam Angiogenesis</i>	Shivaji University, Kolhapur	1.0	2018
3	Dr. P. S. Bhandare	Diversity of Avifauna in local and Peripheral ecosystem of Tasgaon Tahsil of Sangli District, Maharashtra, India	PDVP College Tasgaon	0.05	2021
4	Dr. S. K. Shinde	Study of Raisin Production in Tasgaon Tehsil	PDVP College Tasgaon	0.05	2021
5	Ms. Seema P. Patil	Functionalized transition metal catalysts for cross coupling reactions	WOS-A DST, New Delhi	21.17	2020

The students of M. Sc. II organic chemistry have completed the following new research projects which emerged on the basis of the FIST support:

Sr. No.	Title of Project	Instruments	Name of Students	Class
1	Orange Peel Ash Water Extract (OPAWE): A Naturally Sourced Catalyst For Synthesis of Pyrazolones.	Programmable Furnace	Mr. Girigoudnavar, S. A., Miss Kadam C. S., Miss Sawant S. M., Miss Rajmane A. S.	M. Sc. II
2	A Non-conventional Green Catalyst for Synthesis of Pyranopyrazolones.	Programmable Furnace	Miss Jamadar S.B., Miss Patil A. V., Miss Patil P. V., Miss Patil K. A.	M. Sc. II
3	Water Extract of Orange Peel (WEOP): A natural and highly efficient catalyst for green synthesis of pyrazolopyranopyrimidines	Phase contrast Microscope	Mr. Ansari T. A., Mr. Adsule D. V., Mr. Alavane S. R., Mr. Bhosale M. R.	M. Sc. II

The research students and M. Sc. II organic chemistry students have been using Gas Chromatography (GC) instrument for their research and project works.

d. Did the newly created facility led to betterment of quality of research publications.

The laboratory facilities have enhanced the research awareness among the students and faculty members. In the department, **11** faculty members have been recognized as university research guides, and **23** research students have been registered and working for Ph.D. degrees. **08**-Fellowship, **12**-research projects major-**04** and **08** minor) have been sanctioned by different funding agencies like CSIR, DST, UGC, SARTHI, University and college.

Other hand, in-hand ongoing activities under the support are....

- i) Research Projects-12:** Major-**03** and Minor research projects (MRP)- **05** completed, and ongoing research projects Major-**01** and Minor-**03**.
- ii) Patens-2:** Granted-1 (Indian) and Filed-1 (Indian)
- iii) Research Publications-132:** International research papers published in high impact publishers like Elsevier, Springer, Royal society of Chemistry (RSC), American Chemical Society (ACS), Willy, Taylor and Francis in well reputed journals.
- iv) Research fellowships-08:** Research students awarded different fellowships from various funding agencies like CSIR, DST, UGC, and SARTHI.
- v)** Many UG and PG students participated in and presented their project works in Avishkar, New horizon poster presentations, university-level research project competitions,
- vi)** Initiative for multidisciplinary works in collaboration with Physics and Life sciences.

e. Any training programme/workshop organized by the department during the period of report, especially those involving the newly created facility.

1. One day workshop on instrumental training programme on Gas Chromatography (GC): Principal, Working and Applications organized by Department of Chemistry on 07th Sept. 2017.
2. One day Workshop on Opportunities in pharma industries through instrumental training program in collaboration with Asura Pharma organized by Department of Chemistry on 30th Jan. 2019.
3. A Training Programme on Operation of Digital Classroom organized by Department of Chemistry on 23rd Dec. 2019.
4. Chemistry Carnival-Experimental/Instrumental Demonstration, Bibliography of Scientists and elemental exhibition in occasion of Shri Swami Vivekanand Jayanthi Saptah organized by Department of Chemistry on 18th Jan. 2019.
5. One day online workshop on “Best Laboratory Safety Management” organized by Department of Chemistry on 31st Mar. 2021.

The programme has proved to be highly beneficial to the students. It has widened their scope of learning and evoked in them an interest to explore the practical aspects of theoretical knowledge gained in the classroom. The students could understand the working mechanism and applications of the instruments used in chemical sciences. This training has helped them to get jobs in industries.

13. Is any problem faced in utilization of the grant/facilities? No.

No specific problem was faced in the utilization. The utilization is already submitted by the college.

A report highlighting the research activities of the department during the period under review may also be provided.

- Department has organized AVISHKAR research competition, New Horizon poster presentations, chemistry carnival, experimental and instrumental demonstration at high school students, elemental exhibition, bibliography of scientists and students have been motivated to participate in competitions.
- College Research Committee has funded research project under Research Promotion Scheme since 2019-2020.
- College Research Committee has organized various workshops, webinars and training programme on Intellectual Property Rights (IPR), research methodology and instrumentation.
- The proposals for Post-Graduate courses in Physics, Zoology, Botany and Statistics were submitted for approval to the university of which the proposal of M. Sc. Statistics has been sanctioned and the course started in June 2017.
- One of the faculty members, Dr. A. N. Ambhore in the Department of Chemistry, has granted 01 and filed 01 Indian patent.
- One of the staff members, Dr. A. S. Kumbhar in the Department of Chemistry, has received “Young Scientist Major Research Project” under DST-SERB, New Delhi.
- One of the research scholars, Ms. Seema P. Patil in the Department of Chemistry, has received “Women Scientist Scheme-A (WOS-A) from DST, New Delhi.
- The faculties and research students have been motivated to engaged in research activities. During the tenure of DST-FIST support, the faculty members applied for research grants to different funding agencies.
- All the faculty members have been involved in publishing research work in national/international reputed research journals.

Actual Cost (in Foreign Exchange)	--
Actual Cost (in IndianRupees)	34,500/-
Used for	Used to weigh ingredients in a laboratory. When a weight is applied to the digital balance, an electronic circuit generates a current which is then converted into a digital readout on the display.

Subject: Retaining the procured assets in department sanctioned under the DST-FIST Programme (SR/FST/College-208/2014)

Dear Sir,

The Department of Science and Technology had sanctioned the following assets to the **Padmabhushan Dr. Vasantodada Patil Mahavidyalaya, Tasgaon, Sangli-416312 (Maharashtra)** through 'Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions' (FIST) Programme. Upon successful implementation of the project, many students, research scholars and faculty members have been benefited in their academic and research pursuits. These assets are very essential components of our everyday research in the Department/ College. Therefore, we request you to kindly allow us to retain these procured assets in the Department/ College.

The details of these instruments are enclosed overleaf.

We sincerely thank DST for supporting our research and academic program through the FIST Programme.

Thanking You.

Yours Sincerely,

Smart classrooms are the amalgamation of technology used at the teachers desk and in front of the classroom, technology in the hands of the student and a physical environment that allows the successful use of that technology. There is solid research supporting modest academic gains from the use of technology in the classrooms. In addition to academic improvement, there is the opportunity to engage the student more fully, expose them to technology used in the workplace and get immediate feedback of classroom knowledge.

Change is needed in the classroom environment to successfully work with technology. For example, laptops and old school desks are not designed to work well with each other. Solutions can either be new desks that better accommodate laptops or use tables. In addition to changing the classroom, other critical factors for success are a working device for each student along with training and support for teachers.

We were invited to a guided and trained by Mr. Pravinkumar Patil, Director, Bharat Automation (OPC), Pvt. Ltd. Pune. Prof. (Dr.) Suresh S. Patil, Organising Secretary of the programme introduced the invited chief guest Mr. Pravinkumar Patil. During a training programme of the facility the interesting part was how technology usage represented itself. Today when people think of technology as part of smart classrooms the focus is around computers, laptops, smartboards, and electronic ways to connect and display learning material. Instead, what was seen was a mixture of technology represented through more social sciences around flexible seating and smarter workspaces. It stands to reason that technology without effective teachers, appropriate content and methods, and students willing to learn will be ineffective. The smart classroom is not a silver bullet, but another tool we can use to increase the chances of success. Prof. Prabhakar V. Patil has concluded the programme by giving vote of thanks.

Objectives Digital Classroom:

- To create advancement in education system.
- To make learning and understanding.
- Students learn their lessons in a smart approach
- Helps to keep track of students.
- To encourage informal learning.
- Learning best takes place in spaces that can easily morph based on teaching approaches and learning preferences.
- There's a new generation of students with different experiences and expectations than those of their parents.”
- To improve active learning environments, concentration, focus and facilitate group engagement.
- Every seat can and should be the best seat in the room.
- The classroom needs to support instructors moving among teams to provide real-time feedback, assessment, direction and to support students to peer to peer learning.

Adding smart boards, laptops, tablets, and other similar devices in a classroom do not define a smart classroom. These modern tools are part of the classroom, that when leveraged effectively can factor into greater learning outcomes for all students. The learner's engagement is the product of the whole classroom environment which encompasses infrastructure, methodologies, hardware, and software. These aspects working in concert create an optimal learning environment considered the smart classroom. A smart classroom involves all learning stakeholders and the learning ecosystem, and how they interact collaboratively in physical and virtual space. This model emphasizes the teacher guiding the student in an evolving journey rather than standing in front delivering messages in a linear one-way fashion.

The Seminar was inaugurated by Hon. Dr. Narayan Bhosale, Assistant Professor Department of History, and Mumbai University Mumbai. The function was presided over by Hon. Prin. Abhaykumar Salunkhe executive chairman of Shri Swami Vivekanand Shikshan Sanstha Kolhapur, Principal Dr. Milind Hujare welcomed the delegates and introductory speech delivered.

Inaugural Function /Welcome: Chief Guest Hon. Prin. Abhaykumar Salunkhe, Chairman, Shri Swami Vivekanand Shikshan Sanstha, Kolhapur

The keynote address was given by Dr. Narayan Bhosale. He said in his keynote address local history is not just the history of a place but how the history of that place changed and how he referred to the main history. Expressing the view that cultural and social factors have a very important place in this, the importance of place is further underlined by cultural factors. Often there are some shortcomings in the understanding of local history or some links are broken. Then it can be connected with the understanding of local history. So that so much local historians comment on the importance of writing and comprehension. In this presidential speech chairman Hon. Prin. Abhaykumar Salunkhe has stated about unknown history. He strongly highlighted the marginalized place of local history in India.

**Introduction of the Seminar :Principal Dr.Milind Hujare and
Chief Guest Address: Hon. Prin. Abhaykumar Salunkhe, Chairman, Shri Swami Vivekanand
Shikshan Sanstha, Kolhapur**

On the occasion of seminar one plenary session started with the speech by an eminent personality of Shivaji University Kolhapur department of history Dr. Avani Patil. In his speech Dr. Avani Patil expressed his thought on Local History Writing. He said, A keen student of civic and local history, Historians today need to look at local history in a more innovative and clinical way, discussing how to make local history research more effective in addition to the study methods of Oral History, Ethno History and Micro History. If historians have not done so the work of local history will be limited to satisfying the curiosity of the locals about the old things, and beyond that, the opportunity to write a history that is useful to non-natives will be lost. Plenary session
