She has elaborated her views about the gems and Dressing in India.....

Putting on different gems and stones, as per one's Zodiacal and Numerological interpretations, is an age-old tradition existing all over the world. However, the ritual is much complicated in India in comparison to other countries. Indian astrology has acquired Vedic roots where a number of factors are considered before finally recommending gems and stones to the believers.

In Indian Astrology, the horoscope (janma patrika) of the person is derived before advising him any gems or stones. The horoscope establishes the position of various planets and their influence during various periods in one's life. Thus, the concept of Indian Gemology is based on planetary influence and is said to provide more fruitful results and changes for better living conditions.

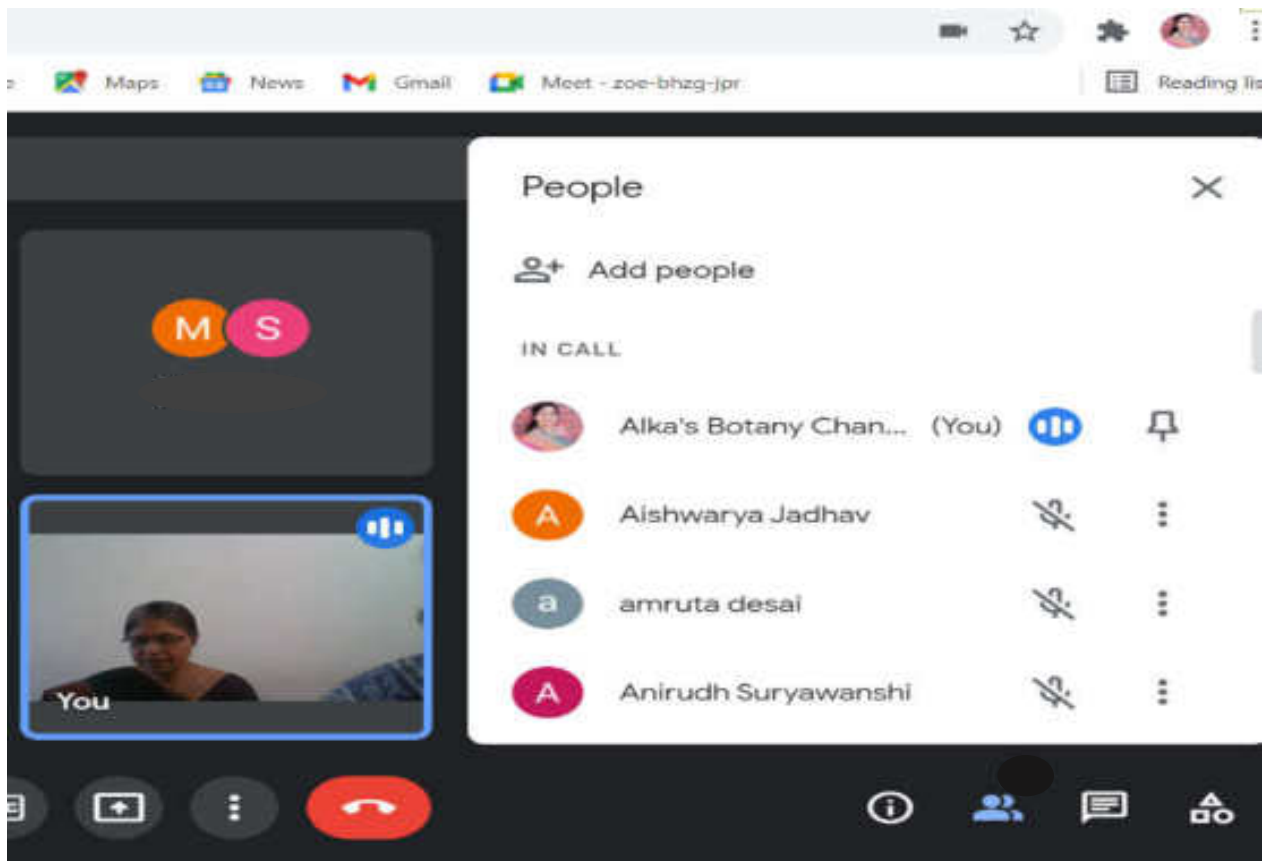

It is believed that the purity of the Navaratna (nine gems) is such that they are suitable to almost all persons, irrespective of their horoscope or planetary positions. The nine stones are manifestations of abundant wealth, happiness, fame, longevity, honor and mental peace. Generally, no specific weight is prescribed while wearing the gem, however, its authenticity and flawlessness bear utmost significance.

Determining an auspicious time and day for the wearing is quite important and, if necessary, a havan (ritual fire) or puja is also performed for the same. The gems should be set by a knowledgeable jeweler (in a particular format) either in gold or in silver.

Indian clothing has been evolving for an extremely long time. In fact, the first evidence of spinning and dying cotton cloth dates back some 7,000 years to the ancient Indus Valley civilization. Over the years, its inhabitants left clues about **Indian Customs**, Culture, and Fashion through epic sagas such as the Mahabharata and grandiose rock sculptures including the world-famous Ellora caves.

Indeed, clothing is as much a part of Indian history as food and religion.

Saree is one of the most preferred **Indian** traditional **dress**. It is one long piece which is almost five to nine-yard long. It wraps around the body and looks ...

## WOMEN EMPOWERMENT CELL

### REPORT ON

# Today's Status of Women in Society

<b>Event</b>	<b>Expert Talk on Today's Status of Women in Society</b>
<b>Date</b>	<b>06<sup>th</sup> December 2019</b>
<b>Venue</b>	<b>Room No. 28</b>
<b>Total Participants</b>	<b>Female: 170</b>
<b>Organizer</b>	<b>Women Empowerment Cell</b>

The Women empowerment Cell of the College organized a programme of **Today's Status of Women in Society** for girl students on 06<sup>th</sup> December 2019 at 01.00 to 05.00 pm.

The status of women in India has been subject to many changes over the span of recorded Indian history. Their position in society deteriorated early in India's ancient period.

Crime against women such as rape, acid throwing, dowry killings, honor killings, and the forced prostitution of young girls has been reported in India. Police records in India show a high incidence of crimes against women. The growth in the rate of crimes against women would exceed the population growth rate. Earlier, many crimes against women were not reported to police due to the social stigma attached to rape and molestation. Official statistics show a dramatic increase in the number of reported crimes against women.

The 26-year-old veterinarian was brutally gang raped and killed by four lorry workers before they burned her body on 27<sup>th</sup> November 2019 night in Telangana's Shamshabad. All the four accused were nabbed from their houses by Cyberabad police.

On this sensitive occasion this programme was immediately organized in presence of Nirbhaya Pathak, Police Station Tasgaon.

<b>Chief Guests</b>	<b>Rahul Kamble</b>
	Mrs. Reshma Shaikh
<b>Chairperson</b>	Principal Dr. Milind Hujare
<b>Organizer</b>	Dr. Alka Inamdr

Principal Dr. Milind Hujare welcomed both the Guests Shri . Rahul Kamble and Mrs. Reshma Shaikh. Dr. Suresh Khabde welcomed Principal Dr. Milind Hujare.

Dr. Alka Inmadr, Chairperson of the Women Empowerment Cell introduced the programme, its necessity and the Nirbhaya Pathak of Tasgaon Police Station Shri. Rahul Kamble and Mrs. Reshma Shaikh. Principal Dr. Milind Hujare was the President of the function.

Shri. Rahul Kamble, A member of Nirbhaya Pathak explained the problems in solving the cases with women. Status of women in society. The average woman

living in a rural area in India has little or no control, do not have access to safe and self-controlled ideas against any circumstances. India has a highly skewed sex ratio, which is attributed to sex-selective abortion and female infanticide affecting approximately one million female babies per year.

Mrs. Reshma Shaikh has elaborated the status of women from long back. There is no denying the fact that women in India have made a considerable progress in the last fifty years but yet they have to struggle against many handicaps and social evils in the male dominated society. But passing of law is one thing and its absorption in the collective thinking of society is quite a different matter. In order to prove themselves equal to the dignity and status given to them in the Indian Constitution they have to shake off the shackles of slavery and superstitions. They should help the government and the society in eradicating the evils of dowry, illiteracy and ignorance among the eves.

In the presidential address Principal Dr. Milind Hujare has motivated the girls to explain their views and their today's problems. As a result of their newly gained freedom Indian woman have distinguished themselves in various spheres of life as politicians, orators, lawyers, doctors, administrators and diplomats. They are not only entrusted with work of responsibility but also they perform their duties very honestly and sincerely. There is hardly any sphere of life in which Indian women have not taken part and shown their worth. The violence against women in India includes kitchen fires for want of dowry, sexual assaults, cases of rape, prostitution, throwing of acid. Also, evils of child marriages are also widespread even today. Female infanticide, indecent behavior, and honor killings add to the misery of the women. Also, sex-selective abortion is a deep-rooted evil leading to inequality in sex ratio.

Miss. Komal Ghotkar, Miss. Nehal Patil, Miss. Snehal Chavan and Miss. Snehal Shinde has explained their views, problems facing them in daily life and also their opinion about the rape cases.

The programme was concluded by the vote of thanks given by Dr. Sursh Khabde.

# **Angel's Welcome Programme**

On the Occasion of International Women's Day

<b>Event</b>	<b>Angel's Welcome Programme</b>
<b>Date</b>	<b>06<sup>th</sup> March 2020</b>
<b>Venue</b>	<b>Gynecologists Hospitals in Tasgaon</b>
<b>Total Participants</b>	<b>Female: 60</b>
<b>Organizer</b>	<b>Women Empowerment Cell</b>

Whenever a baby is born, celebrations follow. There are endless feasts and parties to welcome the beautiful new life that is formed. There is happiness, enjoyment, exhilaration, and tears of joy. However, in some places, this kind of an environment persists only if it's a male child, that is, a son.

So...the Women Empowerment Cell has decided to visit hospitals with their prior information to welcome newborn girl child, i. e. **Angel's Welcome Programme** with mother and her relatives with the Rose flower and sweet for her parent and relatives.

Principal Dr. Milind Hujare, Dr. Alka Inamdr, Co-ordinator, Women Empowerment Cell, Prof. (Dr.) Suresh Patil, NAAC Co-ordinator of the College, Dr. Vilas Pawr, Vice Principal, Shri Vijay Jadhav and 15 Girl students of the College have visited 3 Hospitals in Tasgaon. Dr. Prashant Patil, Dr. Anjali Patil and Dr. Suresh Lugade are the Gynecologists in Tasgaon.

Principal Dr. Milind Hujare felicitated Dr. Prashant Patil, Gynecologist

Principal Dr. Milind Hujare felicitated Dr. Anjali Patil, Gynecologist

Parents are very happy with us and enjoyed the programme very nicely. We succeed to focus the role of girl in livelihood.

Relatives along with Angel's mother appreciated this programme and they have explained their views and also thank us.....

We explained the important points like.....

1) If it's a girl child, then disappointment clouds over. It is surprising enough that this kind of discrimination still preserves in many parts of the world. The girl child is not given enough worth, for it is believed that it is the son who is going to take full responsibility of the family and carry forward the legacy. However, times have changed, and women have proved their equality and value. Sadly there are some people who have not come to terms with this revolution.

2) It is a well-known fact that a girl child is more obedient, honest and sincere than a boy child. Most of the times, girls don't take things for granted. It is easier to handle them rather than boys. Boys usually get easily distracted, with all

the sports and technology! Girls appear to be more meticulous and have a stronger sense of responsibility towards their family and their own aspirations.

3) The perfect example would be our mother. Our mother teaches us everything from the very beginning. Similarly, women are perfect mentors, who can guide you throughout your life. Wisdom comes naturally to them. A girl/woman has to face numerous difficulties in her lifetime, which helps her gain experience, makes her prudent and teaches her many of the important lessons quite early in her life.

4) A girl child will always think twice before taking a step and keep all the aspects in mind. She will think about the repercussions and how a particular decision might affect the people surrounding her.

5) A woman is the glue that binds the entire family together. It is truly said that a family is incomplete without a girl. A girl brings light and contentment in the family.

6) A girl child is a pillar of strength for her family and provides all kinds of support, be it moral, emotional or financial. She supports all her loved ones with all her might. Normally, it is observed that women are able to make rational decisions, which are helpful in the long run.

7) Nothing is achievable without success, and there are thousands of success stories among women. Girls are equally capable to reaching new heights and fulfilling their dreams.

8) The 21<sup>st</sup> century woman is an all-rounder. Whatever field she chooses for herself she will make sure she outshines in it. Not just professionally, she shines in all of her endeavours, be it hobbies or other personal tasks. She is diligent and adds a magic touch to whatever she decides to pursue.

9) From being a wife/mother/daughter/sister to a lawyer/CEO/architect/manager and what not, a girl manages to excel in every

aspect of her life. She handles everything with grace and maturity. Multitasking is something which comes naturally to them!

**“A strong woman builds her own world. She is one who is wise enough.”**

### REPORT ON

# Training Course in Self Defense

<b>Event</b>	<b>Training Course in Self Defense</b>
<b>Date</b>	<b>15<sup>th</sup> January to 24<sup>th</sup> January 2020</b>
<b>Duration</b>	<b>10 Days</b>
<b>Time</b>	<b>08.00 to 10.30 am</b>
<b>Venue</b>	<b>Room No 43</b>
<b>Total Participants</b>	<b>Female: 71</b>

Walking home alone and feeling uneasy? Getting a weird vibe from a stranger on the bus? Many of us have been there.

Girl students of the college reported experiencing some form of sexual harassment, verbal harassment was the most common form, but some women said they were touched or groped in an unwelcome way, while some of women survived sexual assault in the society now a days.

Even if you've personally never felt yourself in a situation that made you feel physically unsafe, having reassurance about your next steps (and what you can do to help yourself should the unfortunate circumstance ever happen) can make all the difference.

Self-defense helps women protect themselves and their family. In my opinion, this is the most important reason for women to learn self-defense, because it is the difference between life and death. ...

In a self-defense situation, this is pivotal. The majority of attackers are not going to be proficient in martial arts.

The Women empowerment Cell of the College organized a programme of Training Course in Self Defense 15<sup>th</sup> January to 24<sup>th</sup> January 2020 at 08.00 to 10.30 am. Everyday.

<b>Trainers</b>	<b>Shri. Udaykumar Patil</b>
	Manoj Kandkar
	Ashwini Koli
	Tejaswi Patil
<b>Organizer</b>	Women Empowerment Cell

In collaboration with Women Warrior Thang- Ta Club, Sangli, their team members Shri. Udaykumar Patil, Manoj Kandkar, Ashwini Koli and Tejaswi Patil have given a training of karate, punches as well as basic techniques required for self defense. Girls warm up the body in the beginning and then practice each puch and trick which they learnt yesterday.

1. Focus on your attacker's vulnerable places: eyes, nose, throat, and groin. Aim all of the moves below at one or several of these areas to have maximum impact.
2. Don't aim for the chest, as that tends to be ineffective. Aiming for the knees requires a specific kick that can be too risky for the average person.
3. Use all of your force and aggression during execution. Make it known that you're a powerful lady. Use your voice, too. Be loud to intimidate the attacker and create attention in case somebody is nearby.

### **1. Hammer strike:**

Using your car keys is one of the easiest ways to defend yourself. Don't use your fingernails, because you're more at risk to injure your hands.

Instead, if you feel unsafe while walking at night, have your keys stick out from one side of your fist for hammer strikes.

**Alternative:** If your attacker is too close, thrust your knee toward the groin. Make sure you're stabilized and not at risk of falling over.

### **2. Heel palm strike:**

This move can cause damage to the nose or throat. To execute, get in front of your attacker as much as is possible.

**Alternative:** An open palm to the ears can be very disorienting.

### **3. Elbow strike:**

If your attacker is in close range and you're unable to get enough momentum to throw a strong punch or kick, use your elbows.

**4. Alternative elbow strikes:**

Depending on how you're standing when you're initially attacked, you may be in a better position for variations on the elbow strike.

**5. Escape from a 'bear hug attack':**

For cases where the attacker is coming from behind, you'll want to use this move. Focus on getting low and creating space to free yourself.

**6. Escape with hands trapped:**

If your attacker comes from behind and traps your arms (this is similar to a bear hug, but you won't be able to move as freely), here's what to do:

**7. Escape from side headlock:**

When the attacker locks their arm around your head from the side, your first instinct should be to avoid getting choked.

However, if you don't feel confident you're able to physically handle an attacker, take these precautions.

**8. Meditation:**

Meditation is relaxation. It is not about concentration, it's actually about de-concentration. It's not about focussing one's thoughts on something specific, but instead of entering a state of mind that has no thoughts. The overall benefits of meditations include a calm mind, improved clarity and communication, and relaxation of the mind and body. Regular practice of meditation has a profound impact on the core three areas of our existence - physical, mental, and spiritual.

**Benefits of meditation....**

- Reduces Stress. Stress reduction is one of the most common reasons people try meditation. ...
- Controls Anxiety. ...
- Promotes Emotional Health. ...
- Enhances Self-Awareness. ...
- Lengthens Attention Span. ...

- May Reduce Age-Related Memory Loss. ...
- Can Generate Kindness. ...
- May Help Fight Addictions.

Principal Dr. Milind Hujare and Prof. Dr. Suresh Patil Visited the course, while students are engaged in meditation.

**Safety tips.....**

1. **Stay in a well-lit public area.** Don't go home or turn away from crowds. Walk into a store or a coffee shop and ask for help.
2. **Call the police.** Find a well-lit public area and dial 911 or your local emergency services if you feel you're in danger.
3. **Carry protection.** Whether pepper spray, a personal safety alarm, or a lipstick taser, self-defense tools can help you feel more at ease.

If you're carrying self-defense tools, make sure to get training on how to use them.

You can also use more common objects as weapons, including a purse, briefcase, umbrella, phone, pencil, book, or rock.

Anything blunt that can be used to hit, throw, stab, or swing can be very effective.

Principal's  
opinion

Student's  
feedback

The students appreciated the course too much.....

The girl students found that, who participated in a self-defense class they felt:

- had better safety strategies in place
- were more equipped to deal with strangers, and people they know, in the context of potential assault or abuse
- had more positive feelings about their bodies, had increased self-confidence

### REPORT ON

# First Aid Demonstration and Guidance

<b>Event</b>	<b>Training Workshop on First Aid Demonstration and Guidance</b>
<b>Date</b>	<b>07<sup>th</sup> December 2019</b>
<b>Venue</b>	<b>Room No. 28</b>
<b>Total Participants</b>	<b>Female: 89</b>

The Women empowerment Cell of the College organized a programme of Training and Demonstration of First Aid for girl students on 07<sup>th</sup> December 2019 at 10.00 to 6.00 pm.

First aid is a combination of simple procedures and common sense.

The aims of first aid are.....

- **To preserve life:** Saving lives is the main aim of first aid.
- **To prevent further harm:** The person who has experienced the injury must be kept stable, and their condition must not deteriorate before medical services arrive. This may include moving the individual away from harm, applying first aid techniques, keeping them warm and dry, and applying pressure to wounds to stop any bleeding.
- **Promote recovery:** Taking steps to promote recovery may include applying a bandage to a wound.

### **Why first aid training is so important?**

- **Increases safety:** The basis of first aid training is "prevention". It is always better to be safe than to be sorry. Knowledge of first aid promotes the sense of safety and well being amongst people, prompting them to be more alert and safe in the surroundings they dwell in.
- **Helps save lives:** If a person who is trained to give first aid administration happens to see any casualty in his vicinity, immediate action can be taken and lives be saved.
- **Helps relieve pain:** Some injuries require a very simple solution like applying ice pack or a quick rub. A ride to the emergency room is not necessary, at least not for some time.

- **Makes people more secure:** Knowing that you can save your own life when required, or that of the people you know or those in trauma during some emergency helps you relax more and be more secure.
- **Prevents the situation from becoming worse:** A trained person would know how to keep the situation from becoming bad to worse. They will provide temporary treatment which will keep the condition of the victim from deteriorating, till professional help arrives.

<b>Chief Guest</b>	<b>Dr. Mrunalini Bhosale</b> <b>Miss. Aishwarya Bhosale</b>
<b>President</b>	<b>Principal Dr. Milind Hujare</b>
<b>Organizer</b>	<b>Dr. Alka Inamdr</b>

Programme was introduced by Dr. Alka Inamdr, Chairperson of the Women Empowerment Cell and welcomed the Speaker of the function Dr. Mrunalini Bhosale, and her colleague Miss Aishwarya Wandare, President of the function Principal Dr. Milind Hujare.

Principal Dr. Hujare Sir in his presidential speech elaborated many issues of the first aid and its importance. He explained the knowledge of first aid which promotes a healthy, secure and a safer environment, and instills confidence amongst people, their families, their colleagues and associates. Basic first aid knowledge is very helpful in dealing with trauma situations. Not just the medical help they provide, but the confidence they exhibit is very helpful during casualties. Being trained to provide first aid is useful to oneself and society.

Dr. Mrunalini Bhosale has practically explained every aspect of first aid box, its necessity etc.

In her speech, Human bodies are susceptible to injuries, illnesses and trauma. We never know when any injury may happen to us or the people we love or those who are around us. Thus it is always good to have some amount of basic knowledge to take care of critical situations, to keep it from going from bad to worse or till the medical help arrives.

Administering first aid to victims in the event of accidents, mishaps and occurrences during office and school hours or in the case of some accident is encouraged. One must know the basics of administering first aid and this knowledge is gained by getting trained.

***GLIMPSES OF THE EVENT.....***

According to her the most common term referred to in first aid is ABC. This stands for airway, breathing, and circulation. A fourth step will appear in the emergency procedures for some facilities.

- **Airway:** Make sure the airway is clear. Choking, which results from the obstruction of airways, can be fatal.
- **Breathing:** Once the airways are confirmed to be clear, determine whether the person can breathe, and, if necessary and provide rescue breathing.
- **Circulation:** If the person involved in the emergency situation is not breathing, the first aider should go straight for chest compressions and rescue breathing. The chest compressions will promote circulation. This saves valuable time. In emergencies that are not life-threatening, the first aider needs to check the pulse.

- **Deadly bleeding or defibrillation:** Some organizations consider dressing severe wounds or applying defibrillation to the heart a separate fourth stage, while others include this as part of the circulation step.

Evaluating and maintaining ABC with a patient depends on the training and experience of a first aider. As soon as ABC has been secured, the first aider can then focus on any additional treatments.

It is important to use a primary survey to make sure the scene is clear of threats before stepping in to help:

The first aider then needs to carry out a secondary survey, checking for deformities, open wounds, medic alert tags, and swellings.

If the injured person is breathing safely, carry out a rapid whole-body check for the following:

- open wounds
- deformities
- medical alert tags advising of underlying conditions
- swellings

This is known as a secondary survey. As soon as this has been completed, place the individual in a recovery position. At this point, the first aider should call for an ambulance.

The programme was closed by the vote of thanks by Miss. Nikita Kadam.

Miss. Gauri Patil, Miss. Komal Ghotkar, Miss Nikita Pawar appreciated the programme and they gave their feed back. Miss. Kheradkar Madam from faculty appreciated the prograame.

Women Empowerment Cell of the College has organized such a training to develop the personality of the girl students and to become much more confident as well as to watch herself in each and every aspect of the self.

### **Why this Training is important.....**

Beautiful things change the one's emotion in a very positive way, they just act as mood changing catalyst in the mind of person. Beauty of a person gives a feeling of magnificent happiness. Beauty is a unique expression of any person which reflects the personality of the person in the true manner. In today's era, we all want to look beautiful as well as like to get attention by somebody else also. However, beauty is just like the garden which must be maintained and should be take care from time to time by the beauty professionals. Therefore, why we should hesitate or feel shy for making our appearance beautiful and confident.

Beauty is a joy forever, and skin is the biggest contributor to beauty. The feminine beauty ideal is "the socially constructed notion that physical attractiveness is one of women's most important assets, and something all women should strive to achieve and maintain".

The feminine beauty ideal, which also includes female body shape, varies from culture to culture. Pressure to conform to a certain definition of "beautiful" can have psychological effects, such as depression, eating disorders, and low self-esteem, starting from an adolescent age and continuing into adulthood.

<b>Trainers</b>	<b>Dr. Swati Walimbe</b>
	Mrs. Snehal Jagdhane
<b>Organizer</b>	Dr. Alka Inamdr

Dr. Alka Inamdr, Convener of the Women Empowerment Cell introduced Guests, Dr. Swati Walimbe and Mrs. Snehal Jagdhane in the beginning of the programme.

Dr. Swati Walimbe and Mrs. Snehal Jagdhane explained each and every aspect related to beauty....

It is a Diploma level Home Science course. Beauty is not only a work but it has much deeper significance. Everyone wants an attractive appearance and it has become a prerequisite to move forward in life. The theoretical and practical training imparted to the girls help in establishing themselves. The course starts with the zero knowledge of beauty culture and hair dressing and converts the students into professionals. The course focuses on hairstyling and other diverse sections of beauty treatments like facials, manicure, pedicure, shampooing, hair cutting and styling, etc. There are so many career options available to the students after successful completion of this Diploma course, especially in private sector.

They also gave some tips to prepare the facial packs, masks, creams and shampoo preparation by using household material and as a ayurvedic products.

### **1. Relaxing yourself:**

It is the time for relaxation and enjoys the feeling of being pampered by pedicure, manicure, facial and other beauty treatments. It is going to be an extremely pleasure feeling of massage as well as water and heat treatment on your skin by applying a gentle pressure on the skin.

### **2. Healthy Skin:**

In this hectic and busy schedule, we all forget about ourselves and we do not take care of our skin which is the most important part of body. Our skin reflects our personality so ignoring the skin means we are not considering our personality as important as it should be in our life.

### **3. Massage:**

First of all, you should understand that the massage is just not only a beauty treatment but also a necessity of body along with mind for keeping them healthy. It is very important in our daily life to relax our muscles and free our mind from daily tensions.

The massage helps in restoring the lost energy by restoring the energy levels and it is a very good method in relaxing the mind and body.

### **4. Haircut and hair style:**

There is a famous quote that first impression is the last impression. In the appearance of person, hair style has its own importance as it also reflects the person's personality. It is basically a representation of the person's look.

### **7. Quality Products:**

The beauty experts in beauty parlors often suggest some treatments and products for your beauty problems and offer some useful advice and treatment for getting rid of them. These advices are very important for you as these will help you in treating your problems and giving you a healthy skin and life. However, they also offer some

### **REPORT ON**

# **Hygienic Health for Women**

<b>Event</b>	<b>Expert Talk on Hygienic Health for Women</b>
<b>Date</b>	<b>13<sup>th</sup> December 2019</b>
<b>Venue</b>	<b>Botany Laboratory</b>
<b>Total Participants</b>	<b>Female: 96</b>
<b>Organizer</b>	<b>Women Empowerment Cell</b>

Poor sanitation has significant impacts on the safety, well-being and educational prospects of women. Girls' lack of access to a clean, safe toilet, especially during menstruation, perpetuates risk, shame and fear. This has long-term impacts on women's health, education, livelihoods and safety but it also impacts the economy, as failing to provide for the sanitation needs of women ultimately risks excluding half of the potential workforce. Improving sanitation is high on the agenda of the Women Empowerment Cell and College authority.

Population growth will only make it more difficult to achieve targets on access to basic sanitation.

So this programme and demonstration of hygienic sanitary pads also shown by the speaker.

<b>Chief Guests</b>	<b>Shri. Sachin Karad</b>
<b>Chairperson</b>	Principal Dr. Milind Hujare
<b>Organizer</b>	Dr. Alka Inamdr

---

Dr. Alka Inamdr was welcomed the Principal Dr. Milind Hujare and the Guest Shri. Sachin Karad. And Introduced Shri. Sachin Karad.

Shri. Sachin Karad explained Reproductive tract infections (RTIs) are extremely common among women that they are reported to affect one third of women of reproductive age around the world, according to a report by the World Health Organization. Sexually transmitted infections (of which RTI is a significant contributor) are also classified among the “top five disease categories,” by WHO. The risk of women contracting RTIs are high in rural India, where, in the absence of toilets in villages, access to sanitation is still limited.

According to the study, “self-reported symptoms of RTI disease were less common in girls and women with access to a latrine (vs open defecation) and lower walking times to a bathing location.” Crucially, symptoms were less common among those who reported bathing with soap water versus women who reported washing hands with soap after defecation.

Another crucial aspect dealt in the study is related to the stress women and girls in rural India undergo on a daily basis to find a safe place to defecate in the absence of toilets. “We referred to various studies that found women without access to a latrine reported higher levels of stress.

He demonstrated the Sanitary pads awareness and also the good pads layer wise. During your **menstrual** cycle, change **pad** at regular intervals and avoid using one **pad** for more than 3 or 4 hours. Discard used **sanitary pad** properly as it may become a breeding ground for bacteria and infections. Wash your hands every time you change your **sanitary pad** or use toilet.

Menstruation is one of the vital processes of a woman's body which deserves utmost caution and self-care. Ensuring proper hygiene during menses, and eating right is the key to ease the pain you go through.

Today, on Menstrual Hygiene Day, promise yourself healthy and happy periods with these hygiene tips.

**1. Change your sanitary napkin every 4-6 hours:**

Changing sanitary napkins or tampons within every 4-6 hours is the cardinal rule to establish vaginal hygiene. Changing your sanitary napkin or tampon regularly curbs the growth of these organisms and prevents infections.

**2. Wash yourself properly:**

**3. Don't use soaps or hygiene products:**

While using vaginal hygiene products everyday is a good idea. These artificial hygiene products can hamper the natural process leading to infections and growth of bacteria.

**4. Discard the sanitary napkin properly:**

Disposing off your tampons and sanitary napkins properly is an important step. Wrap them properly before you throw them away, so the bacteria and infections do not spread.

### 5. Stick to one method of sanitation:

Without frequent change, the accumulated blood invites bacteria and causes infections. So, it is advisable to use one sanitary napkin and change it as frequently. These cardinal rules will help you stay healthy and manage your period better.

Presidential address by  
Prin. Milind S. Hujare

Women are an important section of the workforce, more particularly in the science and technology (S and T) domain. However, a large number of well-qualified women get left out of the S and T activities due to various circumstances which are usually typical to the gender. The challenges faced by them are several but most often the "break in career" arises out of motherhood and family responsibilities. To address such issues, Department of Physics took poster presentation event on "Women Scientists".

In event there are 15 posters which include information about women scientists in world and the presentation was given by B. Sc III students in front of all guests.

Padmabhushan Dr. Vasantraodada Patil Mahavidyalay, Tasgaon is the premier college in Tasgaon Tehsil of Sangli District. It was established in 1962 to cater the educational needs of youths of this rural area. Since then the College has made significant contribution to the Socio- Economic development of this region. At present the college runs 18 UG and 10 PG courses of arts, commerce and science faculties.

The Department of History, P.D.V. P. Mahavidyalaya, Tasgaon is heir to the tradition established by the founder, Shikshanmaharshi Dr. Bapuji Salunkhe. Department of History is one of PDVPM activist department. The department has a separate Department adjacent to the Faculty of Arts. The Department of History offers undergraduate, postgraduate, Certificate Courses and research courses.

Women have now not only found their place in work places but are also part to governance. In recent years there have been explicit moves to increase women's political participation. Women have been given representation in the Panchayati Raj system as a sign of political empowerment. There are many elected women representatives at the village council level. At the central and state levels too women are progressively making a difference. Today we have women Chief Ministers in five large states of India. The Women's reservation policy bill is slated to further strengthen political participation. At the end we can conclude that although the changes are occurring slowly but there is an advent of social reforms and strengthening of women in India in late 20th century and

hence being at the beginning of 21st century we can hope for the bright future of women in India whereby they can claim to be really equal to the men in every field of life.

All participants were presented into various themes. The students have responded to well discussion. Eventually all participants agree with should be the genders equality and focused on government policies and its proper implementation as well as human behavior should be changed. This entire activity conducted by Ms. K. K. Kolap and Dr. H.D. Nadaf has assisted for this activity. Hon. Prin. Dr. Milind Hujare has guided and cooperated well for the proramme.

In the Lockdown Period MCQ Test on Women Empowerment was conducted by Women Empowerment Cell and Internal Quality Assurance Cell (IQAC) of the College on 17<sup>th</sup> May 2020 for Students and Faculty by Google Form.

**Purpose of the Event:**

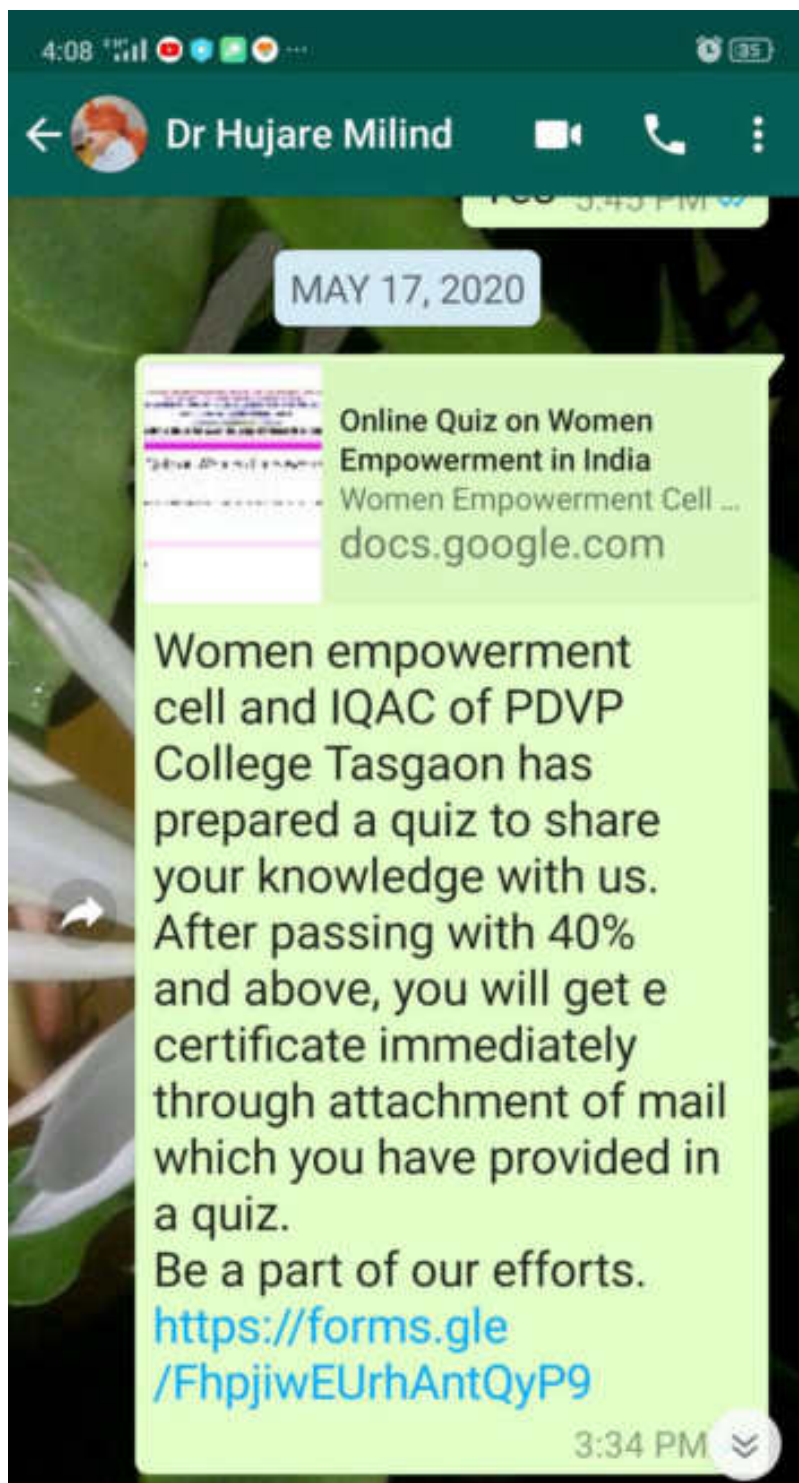

The principal objective of event was to know changing role in 21<sup>st</sup> century. The journey of liberation of women has crossed many milestones and the society has indeed come a long way. They have struggled hard over the last few decades but still been able to successfully establish their own identity.

Women are the epitome of strength, love, sacrifice and courage. The role of women in today's world has changed significantly and for better. Women are now self-sufficient, well aware and financially independent. They have attained immense success in every field, whether it is sports, politics or academics. With the encouragement of co-education, women are now marching side by side with men, in every walk of life.

The 21<sup>st</sup> century has brought a new hope and has empowered women in a positive manner. Earlier they were under the shadow of a husband or a father, but now they have established their own identity and are independent.

Education is an important key to success. Empowering women would become more pertinent if women were well informed and educated. A woman needs to understand her rights so that she can walk at par with men. Mother Teresa, Pratibha Patil, Kalpana Chawla and a lot more have been very significant in their own sphere and are an idol for every woman in India and across the globe.

<b>Activity</b>	<b>Women safty Campaign with Nirbhaya Pathak</b>
<b>Date</b>	<b>9<sup>th</sup> August 2017</b>
<b>Chief Guest</b>	<b>Smt. Vaishali Sarate, PSI, Tasgaon Police Station.</b>
<b>Girl Student Participants</b>	<b>323</b>
<b>Venue</b>	<b>College Campus</b>
<b>Organizer</b>	<b>National Service Scheme</b>

Social service activities are always carried out on behalf of National Service Scheme. In order to allay the fears of college girls about safety, Nirbhaya Pathak guidance program under Mahila Suraksha Abhiyan was implemented in the college on Wednesday, 9/8/2017 through Tasgaon Police Force and National Service Scheme.

PSI Vaishali Sarate of Tasgaon Police Station was invited for this event. Dr. Tatoba Badame has were introduced the program and its objective. Smt. P. M. Khanuja introduced the Chief Guest.

Speaking on the occasion, Ms. Sarate said that women are nowhere less than men; they just need to overcome their inferiority complex. Women should behave fearlessly in public places. We will take appropriate legal action against such harassment immediately. We will also keep the name of the complainant woman secret.

Women have the same right to be fearless in society as men. On this occasion, I appeal to all young women to be free from fear and create a new society.

The program was moderated by Ms. Harshli Jadhav, Representative Volunteer of NSS. Vote of thanks gave by Shri. M. D. Patil

अग्रणी महाविद्यालय व महिला सक्षमीकरण विभाग यांच्या संयुक्त विद्यमाने  
**“स्त्री शक्तीची उत्तुंग भरारी तरी स्त्री भूण हत्या का?”**

एक दिवसीय कार्यशाळा

दि. ०४/०२/२०१७

अहवाल

महाविद्यालयीन विद्यार्थी-विद्यार्थिनींसाठी दि. ०४/०२/२०१७ रोजी अग्रणी महाविद्यालय व महिला सक्षमीकरण विभाग, पी. डी. व्ही. पी. महाविद्यालय, तासगाव यांच्या संयुक्त विद्यमाने **“स्त्री शक्तीची उत्तुंग भरारी तरी स्त्री भूण हत्या का?”** या विषयावर एक दिवसीय कार्यशाळेचे आयोजन करण्यात आले.

सदर कार्यशाळेच्या उद्घाटनप्रसंगी कार्यक्रमाचे अध्यक्ष डॉ. आर. आर. कुंभार, प्रमुख पाहुण्या डॉ. जयश्री पाटील, अग्रणी महाविद्यालय समन्वयक प्रा. के. एस. पाटील, महिला सक्षमीकरण विभागाच्या चेअरमन डॉ. एस. डी. जाधव उपस्थित होते.

कार्यक्रमाच्या सुरुवातीला मान्यवरांच्या हस्ते दीपप्रज्वलन व प्रतिमापूजन करण्यात आले. त्यानंतर डॉ. एस. डी. जाधव यांनी कार्यक्रमाचे प्रास्ताविक केले. त्यांनी महिला सक्षमीकरण विभागाचे कार्य व विभागासार्फत आयोजित करण्यात येत असलेल्या कार्यक्रमांबद्दल माहिती दिली. प्रा. के. एस. पाटील, अग्रणी महाविद्यालय समन्वयक यांनी अग्रणी महाविद्यालय उपक्रमाबद्दल सविस्तर माहिती दिली.

कार्यक्रमाचे अध्यक्ष डॉ. आर. आर. कुंभार यांनी महिलांचे आजच्या समाजातील स्थान व कर्तृत्व याबद्दल सविस्तर भाषण केले. आजच्या आधुनिक युगात महिलांचे हक्क व कर्तव्ये याबद्दल सांगितले.

कार्यशाळेच्या प्रथम सत्राच्या मार्गदर्शिका डॉ. जयश्री पाटील यांनी विद्यार्थिनींना मार्गदर्शन केले. स्त्री ही नवनिर्मितीची प्रेरणा आहे. आजची स्त्री अत्यंत धडाडीची असूनही समाजामध्ये निर्भयपणे वावरू शकते का? ही साशंकता दूर करण्यासाठी महाविद्यालयीन विद्यार्थिनींनी पुढाकार घ्यावा. लोकगीते व पाळण्यातून त्यांनी स्त्रीभूण हत्येविरोधी जाणीव करून दिली. स्त्रीभूण हत्या थांबवायची असेल तर मातेने आत्मनिर्भर व निर्भिड होणे गरजेचे आहे. स्त्रीयांकडे सामर्थ्यशीलता सौजन्य व शिस्तबद्धता असेल तर स्त्रीभूण हत्या होणारच नाहीत असे प्रतिपादन त्यांनी केले.

द्वितीय सत्रामध्ये डॉ. अलका पाटील यांनी यांनी विद्यार्थिनींना मार्गदर्शन केले. आजच्या समाजामध्ये महिलांनी निर्भयपणे कसे वावरावे व स्त्रीभूण हत्या थांबवायची असेल तर महिलांनी प्रामुख्याने यात पुढाकार घेतला पाहिजे असे सांगितले.

या कार्यशाळेत एकूण २५७ विद्यार्थिनी सहभागी झाल्या होत्या. तसेच महिला प्राध्यापिकांनी कार्यशाळेत सहभाग घेतला.

विषय :- कार्यालयामधील अंतर्गत महिला तक्रार निवारण समितीचे  
सहमीकरण करणेबाबत.

महोदय,

मा.सर्वोच्च न्यायालयाने दिलेल्या 'विशेष मार्गदर्शक तत्वे' अनुसार 'कामाच्या ठिकाणी महिलांचा लैंगिक छळ संरक्षण (प्रतिबंध मनाई आणि निवारण) अधिनियम - २०१३' या कायद्याच्या अंमलबजावणीसाठी प्रत्येक कार्यालयाला महिलांच्या तक्रार निवारणासाठी 'अंतर्गत महिला तक्रार निवारण समिती' (Internal Complaint Committee-ICC) स्थापन करणे अनिवार्य आहे. महाराष्ट्र राज्य महिला आयोगाने सदर कायद्याच्या अंमलबजावणीसाठी तसेच कायद्यावरून जागृती निर्माण करण्याच्या उद्देशाने सर्व विद्यापीठांमध्ये एक दिवशीय कार्यशाळा घेण्याचे योजिले आहे.

२. प्रत्येक महाविद्यालयामध्ये 'अंतर्गत महिला तक्रार निवारण समिती' (ICC) ची स्थापना झालेली आहे, परंतु या समितीचे कामकाज चालण्यासाठी समितीच्या सदस्यांना कायद्याचे तसेच समितीच्या कामकाज पध्दतीचे ज्ञान असणे आवश्यक आहे. अस्तित्वात असणाऱ्या अंतर्गत महिला तक्रार निवारण समितीने निःपक्षपातीपणे काम कसे करावे यामुळे तक्रारदार महिलेचे तक्रार निवारण जलदगतीने होईल हे पहाणे महत्वाचे आहे. या अंतर्गत महिला तक्रार निवारण समितीला तिच्या क्षेत्रात दिवाणी न्यायालयाचे अधिकार आहेत. ही समिती त्या कार्यालयातील छोटीशी न्याय व्यवस्थाच असते. त्यामुळे अंतर्गत महिला तक्रार निवारण समितीने आपले अधिकार समजून घेणे व ते वापरणे अत्यंत आवश्यक आहे. कामाच्या ठिकाणी महिलांचा होणारा लैंगिक छळ संरक्षण (प्रतिबंध मनाई आणि निवारण) अधिनियम - २०१३ या कायद्यामध्ये अंतर्गत महिला तक्रार निवारण समिती ही अंमलबजावणी प्रक्रियेतील महत्वाची घंटा आहे. यास्तव या समितीचे प्रशिक्षण करणे अत्यंत आवश्यक आहे. याकरिता महाराष्ट्र राज्य महिला आयोगाने सगळ्या विद्यापीठात या विषयीच्या कार्यशाळा घेण्याचे ठरविले आहे. कृपया या विषयी आपल्याकडून कार्यवाही करण्याकरीता एका व्यक्तीची नेमणूक करून महाराष्ट्र राज्य महिला आयोग
