An equitable distribution of scholarship is ensured by the committee based on merit/s and promotion of a program, not compromising on the competitive merit and qualifications of the eligible candidate.

The scholarship committee shall develop a repository of open scholarships and institutions who consider award of scholarship to meritorious students, procedures to attract students with scholarship grants from other agencies/NGOs and, encourages students to apply for competitive scholarships/need based/merit based /governmental scholarships and enables students to secure scholarships from corporate donors, foundations, philanthropists and willing non-governmental bodies. Applications are thoroughly scrutinized and shortlisted under various categories. The finalization of names is at the sole discretion of the

committee members who take unbiased decisions. Students who are found ineligible for the award on various factors are not considered for the same. Award of scholarship also depends on availability of funds during that particular academic year.

All eligible students are required to submit the college scholarship application form well within the stipulated time.
