Swami Vivekananda renounced the worldly pleasures in 1887 along with other disciples of Ramakrishna Paramhansa and took formal vows of sannyasa.

Swami Vivekananda as maker of modern India said that in order to inspire youth of country towards philosophy of Swami Vivekananda, Swami Vivekananda was a great person who always believed in youth power to nourish culture of country and carry advancement required by country to be developed.

It is well known that the Government of India had declared to observe the National **Youth Day** every year on the **birthday** of Swami **Vivekananda** on 12th of January.

Our management had decided to celebrate the Vivekananda Jayanti Week from 12th January to 19th January every year in devotee the name of great monk.

The reason of that are to enculcate the spiritual thoughts of Swami Vivekananda among the students.

A College Function Committee was celebrated Swami Vivekananda Week as maker of modern India on the 12th of January 2019 in the College campus.

The programme commences with garlanding “Swami Vivekananda” and “Bapuji Salunkhe” and Pratima Poojan of our idols.

Programme was started with Sanstha prayer. Dr. Mrs. Alka Inamdr, Chair person of the College Function Committee introduced the Chief Guest Shri. Abhay Bhandari.

On this occasion Shri. Abhay Bhandari has appealed to the youth of the state to seek inspiration from great thinkers and philosophers, who worked selflessly for the betterment of the society. The Governor urged the youth to explore their talents and channelise their energies towards building a strong and developed nation with due regards to its rich culture and traditions.

He elaborated a focus on Vivekananda, a special interest in Western philosophy and history and was often assailed by doubts about the existence of God. Through his speeches and lectures, he tried to awaken the religious consciousness among people and also tried to uplift the downtrodden using the principles of practical Vedanta.

He said the youth must take inspiration from Swami Vivekananda who gave the message of peace, compassion and brotherhood. He said Swami Vivekananda stunned the world with his speech in Chicago where he provided a spiritual

interface about India to the west.

Principal Dr. Ramesh Kumbhar in his presidential speech emphasized that the youth should be able to express their views properly. Many time they know everything technically but fail to put it forward properly, so they miss out on many good career opportunities. He also appealed students to realize the dream of Swami Vivekananda of a Samarth Bharat in a very short time.

Dr. Dattatrya Thorbole proposed the vote of thanks. The program ended with recitation of Vande Mataram.
