2019 has been designated by UNESCO as the International Year of the Periodic Table (IYPT), marking the 150th anniversary of the Mendeleev periodic table, which is an iconic image and a vital tool to all who learn and work in science, at all stages of their learning and careers. IYPT allows to celebrate our profession, our members and our communities. We want

to work with our communities to engage people with both the periodic table and chemistry.

Our management had decided to celebrate the “Vivekananda Saptah” from 12th January to 19th January every year in devotee the name of great monk. The reason of that are to inculcate the spiritual thoughts of Swami Vivekananda among the students.

Chemistry department have planned lots of exciting and diverse activities like Elemental Exhibition, Magic Chemistry,

Experimental/Instrumental Demonstrations and Bibliography of Scientists

for celebrating the IYPT in Vivekananda Saptah as a CHEMISTRY

CARNIVAL on date 27-December 2020 from 10:00 am to 05:00 pm at

college campus. IYPT is an opportunity for us to develop new resources

and raise awareness, to inspire people of all ages, experience and

backgrounds.
