Certificate Course in Archaeology

Introduction:

Archaeology is a course where you will learn about the ancient beings that used to exist. It studies the past with the help of the material remains that are excavated. Archaeology belongs to the discipline of Anthropology, where it is a sub-division. The experts that study archaeology are called Archeologist. Archaeology studies artifacts, architecture, bio-facts and landscapes. The archaeologist is the people who study the ancient remains of the beings that used to exist for their study. They examine and study homes, clothes, tools, bones, and many more different objects that are available. They gather all these things and examine the results. One of the most important pre-requisite of being an Archeologist is having thorough and in-depth knowledge of geography and history. It is the responsibility of the archaeologist to do various levels of a survey of different sites. They do these surveys using different methods and instruments. Archaeologists gather the data through drawings, notes and photography.

Skillset required being an Archeologist

You need a few skills to study and learn about any subject. When you have these skills, it is easier to study the course. Given below are a few skills that are required for you to become an Archeologist:

- Passion and enthusiasm for learning about the new developments in Archeology.
- Should have a well-organized and structured approach while paying attention to the details.
- Should be ready to work in teams and have good team skills, especially while working in the field.
- Should be motivated and focused on learning about archaeology.
- Good communication skills and can efficiently communicate with other people working in the same field.
- An archaeologist should have a good analytical and peaceful mind which is curious about the interest in archaeology.

Archeology Courses Details:

There is one type of course that is available you can apply for one of this course. You need to choose a course that interests you and you fulfil all the required eligibility criteria that are required and expected of you. The course that you can do to pursue archaeology is certificate course, and lastly, diploma course. You should calmly think about the kind of archaeological course you want to pursue and start pursuing it. The duration of each of these

courses are different, and the syllabus and topics that will be covered in that course is going to vary.

Archaeologist Duties:

There are certain duties that you will need to perform as an archaeologist in any profession that you pursue. Here are some of the duties that you will have to perform:

- The most important duty is to preserve, restore and clean the artifacts.
- You need to know how to collect all the relevant data about the archaeological sites.
- You need to know how to collect the artifacts that are available in different kinds of materials like metals, stones and bones and how to preserve them.
- Should have the capability of drawing and maps of the profiles of their findings, stratum surfaces and findings.

Job Description & Career Prospects of Archeology Courses:

There's a wide range of opportunity for someone who wants to follow this course of a career. You can start your career by working at museums too. There are many museums run by the government- central as well as state government, and there are many private museums too. Look them up on their website, and you can choose a museum that interests you. In the museum, your role will be safekeeping the artifacts and managing them.

The profession of Archeology deals with the past and its all its beings- humans, animals, cultures and civilizations. You need to be interested in that subject and have a passion for it because then you'll find any job that you get in the field of archaeology. If you are looking to join the government sector, you will have to write the government exam for the same. The government exam that you will need to write is the Union Public Service Commission exam or the Staff Section Commission exam.

There are other unique and interesting jobs that you can pursue as an archaeologist. You can become a tour guide for the cultural and heritage spots, heritage managers, interpreters resource persons of trip organizers in the tourism sector. There is a whole range of jobs that you can join, and you will learn new and different things in that job.

Top Recruiter Companies of Archeologist:

There are many companies in this field. Here are some of the top recruits of Archeologist:

- ASI- Archeological Survey of India
 - National heritage agencies
 - Indian Council of Historical Research
 - Government Museums
 - Private Museums
 - Cultural Galleries
 - Universities
-
