**TREE PLANTATION PROGRAMME  
On the Occasion of Environment Day  
05<sup>th</sup> June 2020**

Organizing Department	<b>IQAC, PDVP, Mahavidyalaya, Tasgaon</b>
Date	<b>5<sup>th</sup> June 2020</b>
Venue	<b>College Campus</b>
Total Participants	<b>14</b>

On the occasion of **Environment Day 5<sup>th</sup> June 2020**, Internal Quality Assurance cell **narrated** the tree plantation Programme in detail and Hon. Principal (Dr.) Milind Hujare Sir **highlighted** the importance of tree plantation, economic importance of tree, conservation of biodiversity etc.

Tree plantation is one of the best activities for making the **Campus Greener, Livelier and Healthier**. Planted trees help our biodiversity, ensure the supply of Oxygen for the next generations and provide us with various resources. Without trees, the existence of human life as well as other species on earth is impossible. So we should plant more and more trees.

Our Motto is “**College Campus Goes Green**”. On the occasion of about 50 plants are planted in the college campus by Hon. Principal (Dr.) Milind Hujare sir, teaching and non teaching staff. The 40 plants includes different varieties such as Tamarind (Chinch), Azadiracta indica (Neem), Ficus (banyan tree), Gulmohar, Jamun, Wild Cherry plant, Ashoka tree, Ramphal, Peepal tree and Arjun trees are planted in the college campus area. Today our college goes to green campus. Our college campus consists of varies of plants includes flowering and non flowering plants, herbs, shrubs and trees etc.

About more than 1000 plants are currently present in the college campus. Most of these plants grow under less water content. Every year our college engage plantation of varieties of plants.

Today's percentage of forest area is reduced due to urbanization, deforestation, highway development, Dam construction etc. Due to this above cause plantation is required. Trees greatly contribute to their environment by providing oxygen, supporting wildlife, improving air quality, conserving water, preserving soil and climate amelioration. For this programme some teaching and non teaching staff were present.
