National Statistics Day 2021

National Statistics Day is celebrated on June 29 on the birth anniversary of late Professor Prasanta Chandra Mahalanobis. Often referred to as the 'father of Indian statistics', Mahalanobis, was born on June 29, 1893, in Calcutta (now Kolkata), West Bengal.

PC Mahalanobis is best remembered for the Mahalanobis distance, a statistical measure and for being one of the members of the first Planning Commission of India. The formula is used to find the distance between a point and a distribution, based on measurements in multiple dimensions. It is widely used in the field of cluster analysis and classification.

He founded the Indian Statistical Institute (ISI) and contributed to the design of large-scale sample surveys. For his contributions, Mahalanobis has been considered the father of modern Statistics in India.

The government, in a note on National Statistics Day celebrations said, "This year, due to Covid-19 pandemic, the main event of the Statistics Day, 2021 is being organized through Video Conferencing/ Webcasting at NITI Aayog, New Delhi."

On the occasion of National Statistics Day, our college students were decided to celebrate the function to create awareness about Statistics subject. Our Principal Dr. Milind Hujare Sir permits regarding the same and supports us. College IQAC coordinator Dr. Alka Inamdar madam suggest all the necessary directions for this celebration. Finally, we arrange the function, provide the link to the teachers and students. Near about 150 participants register for function. We thank all the participants for celebrating National Statistics Day with us.
