On 8 August 2019, due to heavy rainfall in the Monsoon season, severe flood affected the southern Indian State of Kerala. As a security measure in the prevailing situation of heavy rains, the Government of Kerala had issued Red alert in the 9 districts in Northern and Central Kerala, orange alert in 3 districts of Central Kerala, and yellow alert in the 2 districts of southern Kerala. Thousands of people have been evacuated to safer places and relief camps. A total of 101 people have died due to rain-related incidents since 14 August 2019, these camps now host more than 2 lakh people from various parts of the state.

That's why our department decided collecting funds for flood affected Kerala state. When our volunteers collected the funds from the college students and they responded very freely and frankly.
