**Prof. (Dr.) N. A. Kulkarni  
HOD-Department of Botany**

**Dr. S. A. Khabade  
HOD-Department of Zoology**

**Tree Plantation by College Teaching staff with N. S. S. Students**

On the occasion of **33-Koti Tree Plantation Programme** Dr. T. K. Badame narrated the tree plantation Programme in detail and Hon. Principal (Dr.) Milind Hujare sir highlighted the importance of tree plantation, economic importance of tree, conservation of biodiversity etc.

Tree plantation is one of the best activities for making the **Campus Greener, Livelier and Healthier**. Planted trees help our biodiversity, ensure the supply of Oxygen for the next generations and provide us with various resources. Without trees, the existence of human life as well as other species on earth is impossible. So we should plant more and more trees.

Our Motto is “**College Campus Goes Green**”. On the occasion of **33 – Koti Tree Plantation Programme**, about 50 plants are planted in the college campus by Hon. Principal (Dr.) Milind Hujare sir, teaching and non teaching staff. Also N.S.S. students are actively involved in the plantation of tree in college campus. The 40 plants includes different varieties such as Tamarind (Chinch), Azadiracta indica (Neem), Ficus (banyan tree), Gulmohar, Jamun, Wild Cherry plant, Ashoka tree, Ramphal, Peepal tree and Arjun trees are planted in the college campus area. Today our college goes to green campus. Our college campus consists of varies of plants includes flowering and non flowering plants, herbs, shrubs and trees etc.

About more than 1000 plants are currently present in the college campus. Most of these plants grow under less water content. Every year our college engage plantation of varieties of plants.

Today’s percentage of forest area is reduced due to urbanization, deforestation, highway development, Dam construction etc. Due to this above cause plantation is

required. Trees greatly contribute to their environment by providing oxygen, supporting wildlife, improving air quality, conserving water, preserving soil and climate amelioration.

This programme successfully organized by N. S. S. Programme Officer **Dr. T. K. Badame, Dr. Amol Sonawale and Dr. P. B. Teli**. For this programme college teaching, non teaching and N.S.S. students are present. Finally **Anna Bagal** expressed vote of thanks.
