Padmabhushan Dr. Vasantraodada Patil Mahavidyalay, Tasgaon is the premier college in Tasgaon Tehsil of Sangli District. It was established in 1962 to cater the educational needs of youths of this rural area. Since then the College has made significant contribution to the Socio- Economic development of this region. At present the college runs 18 UG and 10 PG courses of arts, commerce and science faculties.

The Department of History, P.D.V. P. Mahavidyalaya, Tasgaon is heir to the tradition established by the founder, Shikshanmaharshi Dr. Bapuji Salunkhe. Department of History is one of PDVPM activist department. The department has a separate Department adjacent to the Faculty of Arts. The Department of History offers undergraduate, postgraduate, Certificate Courses and research courses.

Women have now not only found their place in work places but are also part to governance. In recent years there have been explicit moves to increase women's political participation. Women have been given representation in the Panchayati Raj system as a sign of political empowerment. There are many elected women representatives at the village council level. At the central and state levels too women are progressively making a difference. Today we have women Chief Ministers in five large states of India. The Women's reservation policy bill is slated to further strengthen political participation. At the end we can conclude that although the changes are occurring slowly but there is an advent of social reforms and strengthening of women in India in late 20th century and

hence being at the beginning of 21st century we can hope for the bright future of women in India whereby they can claim to be really equal to the men in every field of life.

All participants were presented into various themes. The students have responded to well discussion. Eventually all participants agree with should be the genders equality and focused on government policies and its proper implementation as well as human behavior should be changed. This entire activity conducted by Ms. K. K. Kolap and Dr. H.D. Nadaf has assisted for this activity. Hon. Prin. Dr. Milind Hujare has guided and cooperated well for the proramme.
