Student	Male - 80	Female – 85

Special Camping forms an integral part of National Service Scheme. It has special appeal to the youth as it provides unique opportunities to the students for group living, collective experience sharing and constant interaction with community. Special camp are organised generally on various developmental issues of national importance.

Water Management is a main theme of our special camp.

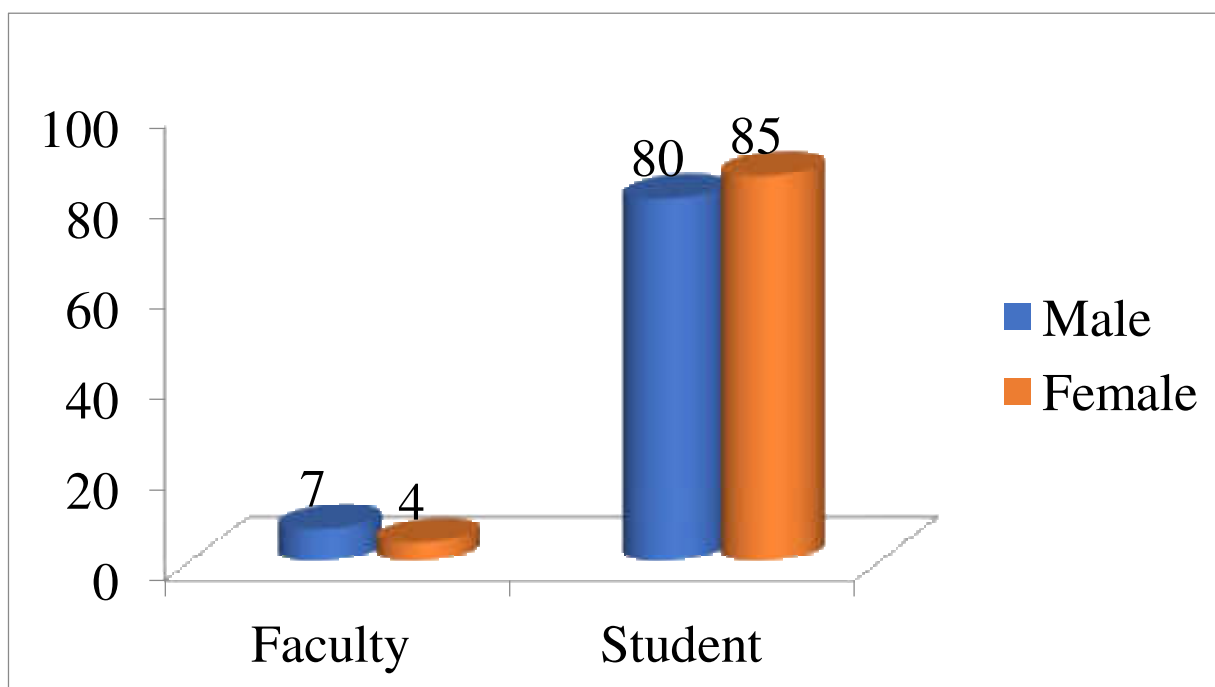

Objectives of the Special Camping programme

The primary objectives of the special camping programmes are:-

1. Making education more relevant to the present situation to meet the felt needs of the communities and supplement the education of university/college/school students by bringing them face to face with the community situation.
2. To provide opportunities to NSS Volunteers to play their due roles in the implementation of various development "programmes by planning and executing development projects, which not only help in creating durable community assets in rural areas and slums but also result in improvement of the condition of weaker sections of the communities.

3. Encouraging the students and non-students youth to work along with the adults in rural areas, thereby developing their character, social consciousness and commitment, discipline and healthy and helpful attitudes towards the community:
4. Building up potential youth leaders by exploring the latent potential among the campers, both students as well as local youth (rural and urban), with a view to involve them more intimately in development projects for longer periods. The local leadership generated during the camps would also be useful in ensuring proper maintenance of the assets created as a result of the camps.
5. Emphasizing the dignity of labour and self-help and the need for combining physical work with intellectual pursuits, and
6. Encouraging youth to participate enthusiastically in the process of national development, and promote national integration through democratic living and cooperative action.

RALLY

Prabhatpheri is held daily in the camp. In this, announcements are made about sanitation, importance of water, social harmony etc.

STREET PLAY

Volunteers performed a street play against Tobacco, Gutkha, Cigarette, Mava etc.

FIELDWORK

The most important component of the NSS Special Camp is fieldwork. In this camp our volunteers gave the message of cleanliness to the society by cleaning themselves. The volunteers cleaned the public water pond in Savarde and build a road to walk around it. In order to fulfil the main objective of water management in this special camp, the volunteers created awareness among the villagers about the importance of water and sanitation. The volunteers also constructed the Vanrai Dam under water management them.
