**REPORT ON  
“CRACKER FREE DIWALI”**

Diwali is the festival of lights that brings good luck, happiness and prosperity to all. The lighted diyas not only illuminate the environment but also has to shuck the darkness of poverty and ignorance. But the important question is how far are we able to understand and appreciate the real fact that we are moving away from the real spirit of the fiesta of light? The festival steadily but definitely is becoming one of the major problem for the environment due to the carelessness of the people all around. Crackers contain toxic compounds like Copper and Cadmium and due to change in the weather these particles / pollution mixes with fog and becomes smog causing asthma attacks, bronchitis, symptoms of allergic rhinitis including running nose and headaches.

Smog worsens the situation by suspending the toxic particles in the air for longer time. It's high time that we people should recognize the problem and should build a roadway by which we can make a healthy and balanced environment.

Under the guidance of Hon. Principal Dr. Milind Hujare this year, our NSS department decided the diwali got some extra sweet with the landmark ruling by the Supreme Court, an initiative to keep the villages and city comes under Tasgaon taluka ever increasing pollution problem in control. So we organized cracker free diwali campaign from 11<sup>th</sup> November 2020 onwards.

# VOLUNTEERS IN CAMPAIGN

## Report

As Bursting crackers increase heat, carbondioxide and many toxic gases in atmousphere. Which causes rise in temperature of earth and polluted air leading to global warming noise pollution loud crackers sound affect human, birds and animals. There is a need for awareness of adverse effect of busting the crackers during Diwali festival. The crackers also cause respiratory problems in human. The awareness campaign was organized under guidance of Principal Dr. Milind Hujare and under leadership of program officer Dr. T.K. Badame. The NSS volunteers displyed posters of slogans of ill effects of crackers on environment at verious places of Tasgaon town. The campaign was organized mainly at crouded places such as market, busstand and main corners. 49 volunteers and students participated in the campaign.
