This "World Wetlands Day" which is celebrated on 2<sup>nd</sup> of February, we celebrate Flamingos and their Wetlands. This date marks the signing of the 'Convention on Wetlands' in 1971 at Ramsar, Iran.

Wetlands are essential ecological features in any landscape as they are home to hundreds of species of birds along with fishes, mammals and insects. Earth planet is slowly losing its wetlands which are home to the large hydrophytes, mangrove stretches- the storm dividers for the coastal lands. It's time we create awareness about the wetlands and its inhabitants on this eco-day. Therefore this is a call to all teachers, parents and students who believe in this cause and would like to help us in developing an Educational and Innovative work on Wetlands.

## **WHY WORLD WETLANDS DAY IS CELEBRATED**

The Ramsar Convention offers an international structure in order to globally support the conservation and sustainable management of the wetlands. It is celebrated to make aware the public, discuss the value of wetlands, its beneficial aspects as well as to promote its conservation and use for enhancing the overall level of the human health, growth, and development.

The event celebration plays a great role in making healthy wetlands in order to deliver the worth ecosystem service to benefit the common people. The demands of water required for growing crops, energy supply and various needs of the industry are also focused during the celebration. It is celebrated to promote the proper use of wetlands and their resources.

It is also celebrated at the WWF-India Secretariat, New Delhi to promote the common people understandings about the importance of the link between wetlands and water as “without water there will be no wetlands – and without wetlands, there will be no water!”

## **Session I: Wall Paper Activity on World Wetlands Day**

The faculty of Botany department has inspired to B. Sc. III students of Botany to display a wall paper on the occasion of World Wetland Day 2017 on 2<sup>nd</sup> February 2017.

Dr. Niranjana S. Chavan, Professor, Department of Botany, Shivaji University, Kolhapur and Dr. Ramesh R. Kumbhar, Principal of this college were the Chief Guests for the inauguration of the wall paper. In the wall paper, functions of wetlands, various benefits, associated services of wetlands and a need of conservation of wetlands were introduced in detail to aware the students of the college.

## **Session II: Lecture of Recourse person on World Wetlands Day**

The programme was inaugurated by watering the plant by the hands of Dr. Niranjana S. Chavan, Professor, Department of Botany, Shivaji University, Kolhapur and Dr. Ramesh R. Kumbhar, Principal of this college and Dr. Alka P. Inamdr organizer of the function, Head of the Botany department. This event is important to give message the students to grow and protect our saviours the plants by nourishing them with water.

Dr. Alka P. Inamdr has given the introductory speech of the function and research work on wetlands of chief guest.

Dr. Niranjana S. Chavan kindly consented to be the Chief Guest at this occasion. Her gracious presence was a true inspiration to the students. Principal Dr. Ramesh R. Kumbhar has offered her floral welcome

Chief Guest Dr. Niranjana S. Chavan, Professor, Department of Botany, Shivaji University Kolhapur has delivered an informative speech on wetlands and its conservation. She has focused mainly the classification of wetlands, their

characteristics, key attributes of wetlands, their deterioration and need of its conservation.

Principal Dr. Ramesh R. Kumbhar in his presidential address suggested the role of students to protect and conserve the nature as a natural heritage.

The function was concluded by the vote of thanks given by Dr. Bhaurao T. Dangat, Assistant Professor of Botany.

168 students of B. Sc. and science faculty were participated in this programme
