CULTURAL ACTIVITIES PROFILE

(2010-2011 TO 2015-2016)

INTRODUCTION

Civilization without culture is impossible. Our College is well known about cultural department. Mere learning and reading books otherwise achieve knowledge but knowledge including culture glorifies human life with real sense and ability. Hence our college cultural department decides to make our students sensible, able confident and ever ready to face challenges of life with bold heart. Cultural activities like acting, singing, dancing, playing musical instruments, participating debate on social problems, painting, photography, writing essays on important issues, solo, mono, and team presentation on the stage and common Public Square create confidence among students. They represent real life-situation before spectators. Culture enhances all rounded development, it modifies and shapes student life and encourages them to live life with real wholesomeness.

Our cultural department creates opportunities for really interested in participate different competitions on college, inter-college, Taluka, District, State, National and even International level. We provoke them to accept challenges in participating different University level and public organizations in debate, enacting, painting singing, writing, dancing. We search ability in them even encourage them to participate different activities, and to present them before collegemates and then on public stage. Every student has his or her own interest but it is quite impossible for us to bring all of them under cultural activities. We choose the best, we represent them for competitions, try to win prizes but that is not our sole objective.

Our means are short but our hearts are great. We know the shortcomings of physical infrastructure like well-equipped auditorium, classical, modern, and vocal and percussion instruments, stage properties etc. Yet, we gradually overcome them and find a perfect way of success. Our every participant is well-determined, solely join college each given activity with respect and try his best for the glory of cultural department. Members of the cultural department have searching eye for different abilities among students and to present them for all rounded development in them. The chairman of the department is ever ready to students of participate different co-curricular activities under the guidance of principal.

PRACTICAL AND EDUCATIONAL BENEFITS

Extra-curricular activities teach students how to work for a common goal. This ultimately develops a sense of responsibility in them. They increase the level of confidence and also teach them how to co-operate and work with people in different conditions. They learn to face the challenges in the way of educational career.
